THE BISHOP WILTON COMMUNITY SHOP & CAFE UPDATE

This Easter, we are stocking a range of branded Easter eggs for just £1.25 which is 25p cheaper than last year and price matched to Aldi. We also have some fabulous eggs, hens and bunnies from York supplier Guppy's Chocolate at just a few pence more than last year. Hurry while stocks last!

JISP SCAN AND SAVE

On 29 March we launched this new initiative which produces fantastic savings for customers. It's funded by the big brands, so doesn't cost the Shop anything. Just download the free App from JISP, scan the product bar code or the shelf edge label and take to the till to get the discount.

We will have about 30 products on promotion at any time. Example savings right now are: 50p off Kellogg's Cornflakes, 45p off McVitie's Digestives and 50p off Schweppes Lemonade. Occasionally there will also be a completely free product! Every time you buy a promotional product from us you get an extra 10p reward and when you reach 25 you will receive a £2.50 voucher from JISP to spend on anything you like in the Shop.

The Shop gets a small commission for every promotional item sold and £150 once 100 different customers have made a purchase using Scan and Save - so the Shop benefits as well.

This is a new innovation in the retail world and by getting in early, we hope we can provide great savings for the local community and benefit the Shop too. We will be publicising the promotional products we are stocking on social media and in the Shop as they change, but if you would also like to be included on our email list for this please just let us know.

VOLUNTEERS NEWS

The second annual Volunteers' Party took place on 2 March at the Fleece Inn. Volunteers enjoyed an excellent buffet and a fun quiz about chocolate advertising slogans set by Manager Sue. The Volunteer prize drawer was presented to Linda Hedley 1st Prize £40 BWCS vouchers and Gini Gledhill 2nd Prize £20 BWCS vouchers. Well done to them!

SHOP MANAGEMENT OPPORTUNITIES

Would you be interested in working in the Shop? We love to welcome new volunteers but would also be interested in talking to people about paid roles. Sue our current manager is moving to Scotland and wants to help ensure we get the right management for the future.

If you would love to work in a true community business on a full or part-time basis, (ideally with some experience but not essential), please contact the Shop to arrange a no-obligation chat. We look forward to hearing from you!

Bishop Wilton CE Primary School

Our Pop in and Play sessions are proving a great success. Everyone with a baby or toddler is welcome to join us on Wednesday afternoons during term time, for as much of the session as they would like, and enjoy time for a chat and a cuppa while children can explore and play in our exciting indoor and outdoor areas. Just come along and join us in our happy and friendly setting, between 1.15 and 2.45pm.

We have just had a fun afternoon raising money for Red Nose Day. We held a talent show in the village hall and all the participants performed brilliantly. We had baking demonstrations, dancing and singing, with lots of audience participation. Most importantly we raised money for such a good cause.

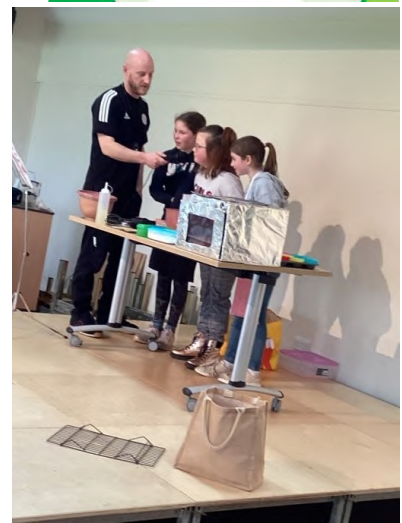

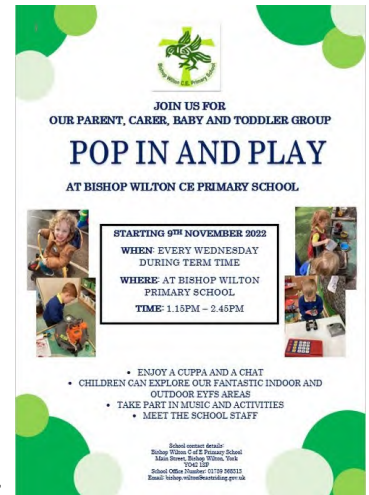

It was lovely to welcome mums into school for a special Mother's Day Service. Mums were all treated to flowers and a card and our service was followed by tea, cake and time for a chat.

World Book Day, as always was a highlight of the term, with children dressing as characters from their favourite stories. In the afternoon we held a quiz

involving the whole school and testing book knowledge with music, picture and general knowledge rounds.

The KS2 children were involved in a trip to the outdoor adventure centre at Robinwood. They were involved in an exciting range of activities, developing their team work skills and confidence. It also provided the opportunity to work with a children from the other schools in our Federation and make new friends.

We have also found plenty of time for the hard work and learning that goes on in school every day! Please do follow Bishop Wilton School on Facebook or Twitter @PrimaryWilton to see lots more pictures of all our exciting activities.

Nyabyeya School Library Update

@Bugthorpe @Sutton

The part time librarian, that we put in place, following our Harvest collections in 2022, is doing a great job. Phiner, has had the library open during breaks and lunch, Monday to Friday. Year 3, 4 and 6 have a day access each per week; Year 5 have two days. Some of the Year 6 girls have formed a reading group called the Lion Club and have already earned their badges for excellent attendance at the lunch time reading clubs!

Bishop Wilton Show 2023

Saturday 15th July 2023 is a very special day in the history of the Bishop Wilton Show. It the 125th! From humble beginnings in the school yard, it's still going strong.

We've chosen this year to make a few changes. Updating the logo and improving our website, making it easier to purchase tickets and see what's going on are just the start.

On the day we'll be focussing more on activities in the Main Ring with Owl Adventures bringing along their amazing birds, there'll be dog agility shows, historical battles, and the ever popular classic and vintage vehicle parade. We're hoping to get more horse and pony

classes too. The run will start from here, but this year it is no longer a half marathon as before, but is instead a slightly shorter, but no less tougher off-road event reaching out to glorious Givendale. We've got new food outlets, and this year the bar will be run by the fabulous team at The Gait Inn in Millington.

The show is being held in the usual place up at High Callis. We are very grateful to the Stringer family for allowing the show to invade their farm for a week. In the days leading up to the event we are always looking for volunteers to help put the show together in the evenings. It really makes a difference, so if you can spare an evening or two in the days before the event?

The full schedule will be out shortly. Keep an eye on the website (www.bishopwiltonshow.co.uk), and our Facebook page for updates. There'll be information available in the shop too. It's time to start thinking what you're going to enter into the show. If previous years are anything to go by, we have some phenomenally enthusiastic cooks and gardeners in the local community, so good luck with your baking, boiling, brewing, growing, and pruning, and of course all the artistic talent that fills the showing tents.

It's shaping up to be a good one. All we need now is the same glorious weather we had at last year's show!

Chair, Bishop Wilton Show Committee**

Rainfall

Here is the report of the rainfall in January and February.

Rainfall for January 2023- 58.5 mm (Average January rainfall - 65.9 mm)

Rainfall for February 2023 - 15 mm (Average February rainfall - 58.1 mm)

Rainfall for year to date - 73.5 mm (Expected rainfall to date - 124mm)

Another year and another new record for the data I've been collecting for the last 21 years. This February was the driest February that I have recorded with 15mm of rain recorded - this is around 25% of the average rainfall figure for February. A real contrast was the second wettest February I recorded last year when there was 94 mm of precipitation- around 1.5" more than average.

January was just about average in terms of rain - 58.5 mm compared to an average of 65.9 mm. Taken together we have had a dry start to 2023. Already I have read reports in the media about fears of a drought in 2023. However, I have learnt that predicting such events is impossible.

February's meeting was a talk by Jane Dixon and Adam Dudley of [WildPath Nature Tours](#). In the first

part Adam described how the couple were working in the corporate world in the United States when they became volunteers conducting tours for a wildlife charity. They enjoyed it so much that they decided to give up their jobs and turn their hobby into a very successful business and now do tours all over America. The couple live part of the year in Fangfoss and the remainder in Arizona. Jane then gave advice on how to attract wildlife to your garden and what is needed - food, water, a place to raise young and shelter - and offered practical suggestions how to do this. Even a local garden can attract up to 200 species!

Our March meeting was a fascinating talk entitled 'The importance of bees' by Bill Scrivens. He gave a wonderful description of the life of bees and the trials and tribulations of being a beekeeper having been stung a hundred times on one occasion! Did you know the average hive contains 70000 worker bees and 2000 drones? All with the purpose of keeping the queen bee and the colony alive. Did you know that honey found in Egyptian burial tombs was found to be still edible after thousands of years? Fascinating stuff. Members were able to purchase jars of this locally produced honey at the end of the evening and I can confirm it is delicious!

Dates for your diary

Throughout the year Bishop Wilton Women's Institute holds Open Meetings when we welcome any adult to come along as a guest. The following two meetings are both Open Meetings, just pay £4 on the door. We meet at 7:15 at Bishop Wilton Hall.

Monday 3rd April. Diocesan Bells and Clocks Advisor John Arthur will talk about the history and heritage of church bells, particularly those at St Edith's. This will be followed by refreshments then our A.G.M.

Wednesday 3rd May A warm welcome awaits Phil Lampard who will be giving a cookery demonstration.

Our next Coffee, Cakes and Books will be held on **Saturday 27th May.**

Thank you to everyone who supported February's fund-raising coffee morning when £637.85 was raised for the Turkey and Syria earthquake appeal.

Table Tennis

Since the launch of our club in January, membership attendance remains encouraging with new members joining frequently. Club nights have been extended from an hour to 90 minutes, we have three tables constantly in use. A good quality table tennis table has recently been purchased from our friends at Amotherby Table Tennis Club and all of our members enjoy plenty of game time.

Members enjoy playing singles as well as doubles and asked for a competitive edge to club nights, so we've introduced a 'sprint league' designed to be fast moving, exciting, friendly and competitive. It's gone down very well in the club and we're anticipating the fixtures will be completed within about 10 weeks. We're an inclusive club, catering for ages 12 and upwards, including beginners and more advanced players alike; we have a healthy mixture. 12 year olds to 16 year olds should be accompanied by a responsible adult. Beginners are most welcome and if they wish can receive free coaching from Anthony, a qualified Table Tennis England coach. All equipment including bats is provided, but feel free to bring your own if you wish.

Contact us if you'd like further information about club nights, coaching or anything else; or just come along to the village hall at or after 7pm on a Wednesday evening, we're there till 8.30. Your first visit to BW TT (Bishop Wilton Table Tennis) is free.

The new website as well as the new table tennis table has received rave reviews from members, please do have a look at the website which includes all the latest news from our club. The website address is <http://bishopwilton.ttclubs.co.uk>

Church News From the Rectory, Worsendale Road, Bishop Wilton 01759
369974, 07888 668663 garrowbyvicar@gmail.com www.garrowbychurches.com

The Coronation is going to be an amazing celebration. As part of the service itself, King Charles will be anointed with holy oil by the Archbishop of Canterbury before he receives the crown. It is a sign of God strengthening the King to undertake the work - the oil represents the outpouring of the Holy Spirit for his work as monarch. The oil used is of significance to the King as it is olive oil from the Mount of Olives in Jerusalem and was consecrated in the Church of the Holy Sepulchre by the Orthodox Patriarch of Jerusalem. We also use holy oil in church. It is blessed each year by the Bishop of the Diocese. It is used to mark special moments in someone's life, often moments of change or when the person needs God's help and strength. Sometimes at baptism or christening services here in Garrowby a person is anointed. It celebrates the fact that each person is special and unique with a special ministry that will unfold over the course of their lives. We each have unique gifts and talents that we are called upon to use for the good not only of ourselves but for the whole community as best we can. This is why as part of the weekend's celebrations there is the idea of the Big Help Out. We may choose to use the extra Bank Holiday to visit family or friends but we can each be reminded that we live for others as well as for ourselves. Just as the Coronation marks a new beginning for the King, it can also be a challenge to all of us to make a difference. Living in this way is not always easy, but as I write this Easter is approaching and there are signs of spring and new beginnings in the fields and hedge rows. Whether we are religious or not it is a time of the year when we can commit to a fresh start in terms of our personal relationships and the priorities by which we live our lives. Even if things have been difficult in the past we can use our celebrations to let go of the past and look to the future.

Have a very Happy Easter and Coronation weekend.

Linda x

PS If you are interested in arranging a christening or want to book a wedding in any of our wonderful churches, please give me a ring or e mail me at

PPS Save the date - the Archdeacon of York will be visiting the Benefice on Sunday 18th June. Arrangements will be circulated but please try and come and meet her.

Holy Week and Easter

As we have done before the services are shared across all the parishes so if you need a lift to get to any of the services this can be arranged. Just ring the Rectory. The details are in the "schedule of services." You would be very welcome to any of the services. There is a wide range on offer including an Easter Egg hunt at Skirpenbeck on Easter Sunday afternoon. The 10.00 morning service at Skirpenbeck is All Age; children would be very welcome to come and receive an Easter Egg as part of the celebration. Holy Week starts with the Palm Sunday service at Full Sutton. We will meet at the phone box at 10.30 and follow the donkey to church

Garrowby Churches Meditation Group

The next dates are 7.00pm Thursdays 30th March, 27th April and Wednesday 10th May. The May date is out of the usual pattern due to the setting up for the Flower Festival in St Ediths. The meetings last under an hour and include an introduction to the theme of the evening and a time of quiet and a closing prayer. Even if you would just like to come and enjoy a time of silence in a beautiful building you would be very welcome.

A few changes to usual pattern of services

Please check the schedule of services. In addition to the changes for Holy Week and Easter, the Sunday Broadcast Service on 16th April is cancelled as is the 4.00pm at Full Sutton so there is only the 11.15 at Kirby

Underdale. Also, for the Coronation Sunday there will just be one service so the usual 08.00, 10.00 and 11.15 are cancelled. But the following week, 14th May, there will be no 11.15 at Bishop Wilton but there will be a 10.00 All Age Service at Skirpenbeck. Later in May when we are on leave there will just be one service each Sunday. So on the 21st this will be the 11.15 at Kirby Underdale with no service at Full Sutton in the afternoon and on the 28th 09.15 at Bugthorpe with no Family Service at 10.15 at Bishop Wilton. I always regret having to cancel services but am grateful for the cover provided by retired priests when we are on holiday.

Refreshments at St Andrew's, 23rd April

There will be a chance to get together for coffee and a chat and to admire flowers now Lent is over after the 09.15 service and all are very welcome.

Benefice Service April 30th 10.30 St Mary Full Sutton

Come and enjoy St Mary's hospitality as we worship from across the villages.

LET'S CELEBRATE THE NEW KING

A CORONATION SERVICE 10.30 SUNDAY 7TH MAY CHILDREN WEAR YOUR CROWNS

This will be a short relaxed service for adults and children with a mix of music and reflections on the Coronation and some prayers for the new King. Everyone will be very welcome to share in this as part of the events in the villages across the weekend. There will also be bells rung across the villages as part of the **Ring for the King** initiative nationally. As part of the **Big Help Out** people are invited to a **church clean at St Edith's from 10.00 til 12.00 on Monday 8th**. People work hard to keep the church clean week by week but this gives the chance for a spring clean. During these hours we will be showing off the bells; if you are interested in ringing them yourself or fancy a trip up the tower to see the clock and bells, please come along. Children must be accompanied by a parent or responsible adult.

St. Mary's Skirpenbeck

On Easter Sunday afternoon starting at 2pm there will be an Easter Egg hunt starting at St. Mary's church. There will be a craft table, lots of chocolate, prizes and a cake and cuppa stall. Everyone is most welcome. There will be a small charge for entry. All proceeds from the hunt will go to St. Mary's.

We have just had the bill for the recent Quinquennial Inspection which comes to a large £960, so any small donations would be most gratefully received! We will shortly be starting the grass cutting - any volunteers for this? If so, please contact Penny. You will be supplied with tea/coffee etc!

Garrowby Singers

The choir recently performed at the York Choir Festival held at Joseph Rowntree theatre. They sang beautifully and, some would argue, got the loudest applause of the evening. We are singing in St Edith's on Good Friday at 3pm. This service is based on the Cross of Christ and allows for reflection whilst listening to some wonderful music. Everyone is most welcome.

Beck and Bells Update

Family Friendly Beck Walk: 11am Saturday 8th April - Meet outside the shop

Led by Terry Smithson, former Director of the Yorkshire Wildlife Trust and now Biodiversity Manager at BioScapes, this free walk is for nature-lovers of all ages. We'll be learning about the plants and animals living in and around the beck. Using pond-dipping equipment we'll see what creatures we can find in the beck itself. **Anyone - especially young people - with an interest in biodiversity, ecology and the environment are particularly welcome!** Bring your wellies. Children under 11 should bring a grown-up. As it's almost Easter there could be chocolate.

The Church Bells and the Clock

The bells have been repaired and the clock should be back in action by the end of March. Please help us report to the Heritage Fund by telling us your thoughts on hearing the bells again through a note to 25 Main St, a Facebook comment, an email to frost.susan@gmail.com or a call to 01759 368445. We won't use names in the report but your feedback will be incredibly useful.

As part of the Coronation weekend people will be able to come and ring the bells so please look out for further information.

Parish Council of Bugthorpe and Kirby Underdale

Minutes of the 159th Meeting of the Parish Council held at Kirby Underdale Village Hall on Monday 6 March 2023

Present: Councillors: D J Pearson - Chair
T Atkinson, K Robinson, H T Paul, D Birks
S W Huffington, R Crow, F Goodhart, D J Lord - Clerk

In attendance: Ward Councillor D N Rudd
D Cary - Market Weighton Town Council and
Sancton Parish Council

1. Apologies for Absence were received from Lady Halifax.

2. Minutes of the Meeting held on Monday 5 December 2022 were approved and signed as a true record by the Chair.

3. Declarations of Interest - the Parish Councils (Model Code of Conduct) Order 2001. There were no declarations of interest.

4. Matters Arising from the last Meeting:

a) Jubilee Pasture - Councillor Robinson reported that there had been no volunteer activity over the winter period. Two loads of stone have been moved down from Hanging Grimston by Ian Grice. These will be placed around the pond when ground conditions permit. The wording and illustrations for the interpretation board will soon be sent to a designer for the final mock up to be approved by the sub-committee. The stone bench is in process of been carved. The snowdrops and aconites that were planted have come through and have flowered.

b) The collapse of road surface on Barf Hill - unfortunately the ERYC when carrying out the repairs severed a BT cable and therefore lines in Bugthorpe have been off for a considerable period. Pressure is being exerted on BT by senior officers at ERYC to carry out the necessary repairs as soon as possible.

c) Speed limit signs on Stephenwath Lane - Councillor Atkinson confirmed that he would speak to the Headteacher at Bugthorpe School again regarding the children producing the signs.

d) Kirby Underdale Village Hall refurbishment - Councillor Atkinson reported that scaffolding has been erected to repair the barge boards and soffits. The plaster repairs, together with the internal and external painting will be complete before the Coronation on Sat 6 May 2023.

The Clerk advised that the cost of repairs and improvements, including the replacement of the electric heating system, is to be split between the Village Hall Committee and Halifax Estates.

The Committee holds residual funds from the Covid Grant.

e) The Community Litter Pick 2023 - The Clerk confirmed that the litter pick is to take place between 9am - 11am on Saturday 25 March and the meeting place will be in the Estate Office car park at Bugthorpe.

f) Restoration of Uncleby Tap - Councillor Atkinson distributed photographs of Uncleby Tap and confirmed Halifax Estates will repair the brick work before the next Parish Council meeting, for the budgeted sum already agreed by the Parish Council of £150 including VAT.

g) Repair/replacement of footpath bridge at Low Hall, Bugthorpe- Councillor Rudd confirmed that he has sent a reminder to the Senior Manager in the Civil Engineering Department of ERYC and is waiting for a response. Councillor Rudd was unaware as to why it has taken the Council so long to deal with this matter as the bridge was inspected many months ago. He agreed to keep the Clerk informed of progress on this matter.

5. Other Matters.

a) Retrospective approval was given for the following payments:

£1,338.12 to Halifax Estates for the telephone box. This includes VAT which is recoverable.
£142.90 to Bugthorpe War Memorial Institute for reimbursement of Bugthorpe Village website domain and hosting costs. Councillor Robinson clarified that £100 of this is coming out the budget for Jubilee Pasture.

Councillor Robinson confirmed that she has paid £15 for Parish Council website domain and £36 for the WordPress plan for 2022-23 and Councillors agreed that she should therefore be reimbursed in the sum of £51. Councillor Robinson provided the Clerk with receipts on 8 February 2023.

b) Parish Council Election for May 2023 - all Councillors were given nomination forms and asked to complete and return them to the Clerk by Friday 31 March 2023 so that they can be hand delivered to County Hall, Beverley by 4pm on 4 April 2023.

c) Woldgate School Admissions Policy - following the recent campaign against the proposed changes to the Woldgate School admissions policy as from 2024, it has now been confirmed that pupils from Bugthorpe School will continue to be able to attend Woldgate as capacity should not be a problem over the next few years, following the recent building programme at the School. However, Councillor Atkinson remained concerned about the situation once capacity has been reached in a few years' time as Pocklington

continues to expand.

d) The King's Coronation and Community Fund - the Clerk reported that the grants between £100 and £500 are available for community events for the Coronation.

e) The Litter on A166 - the Clerk reported that ERYC have recently litter picked Garrowby Hill and that it is looking much better.

f) Community Payback Projects - the Clerk asked Councillors for any ideas for projects to put forward under the scheme. It was suggested that the painting of the Church railings both at Bugthorpe and Kirby Underdale should be considered. The Clerk is to pursue this.

g) Potholes - the Clerk confirmed that some of the potholes on York Lane have been repaired but there are still some very deep potholes particularly along the edge of highway which is hazardous to motorists when they pull off the road to make way for oncoming traffic. The Clerk is to take this up with the Area Engineer. Councillor Paul mentioned that there is a deep pothole near the junction of the Roman Road and Thixendale Road.

6. Correspondence- no comments were made.

7. Any Other Business

a) Councillor Rudd reported that the Council Tax for 2023-24 was agreed 9 February 2023 and that there will be a 4.99% increase which he thought was reasonable as it currently approximately 50% of the current inflation rate. The Council tax for a Band D property in Bugthorpe and Kirby Underdale parishes will be £2,103.49.

b) Councillor Rudd confirmed that the Government has awarded ERYC an additional £761,000 for highway maintenance.

c) Councillor Birks confirmed that the salt box on Beck Row has not been filled up again this winter.

The Clerk is to raise this with the Council to ensure that this filled for next winter.

d) Jubilee Pasture - it was agreed that any costs relating to Jubilee Pasture which fall within the Lottery funded grant already received, can be authorised by Councillors Pearson, Robinson and Lord without approval from the remaining Councillors.

e) Councillor Birks reported that the street light on Beck Row is only working intermittently. The bulb was recently replaced and therefore there must be a faulty connection. Councillor Atkinson said he would instruct an electrician to repair the fault.

f) Springfield Wood at Kirby Underdale was then discussed and all Councillors agreed that it would be an attractive feature in the landscape for future generations.

g) The Chair reported that dog fouling is becoming a more regular problem in Kirby Underdale and he would monitor this ongoing.

h) The Clerk reported that Halifax Estates have applied for planning permission for an oak framed garden room to be built on School Barn, Kirby Underdale. This will be considered by the Western Area Planning Committee on 11 April 2023.

i) Councillor Rudd announced that he will not be standing again as a Councillor in the May elections as he has decided to retire. The Chair and Clerk thanked him for the many years he has attended the Parish Council meetings and assisted with Parish issues.

8. Date of Next Meeting

The next Meeting was fixed for 7pm Monday 15 May 2023 at Bugthorpe War Memorial Institute.

Bishop Wilton Parish Council

**Minutes to the Meeting of Bishop
Wilton Parish Council held on
Monday 27th February 2023 at
7.00pm at Bishop Wilton Village Hall.**

Present: Cllr P Rigby (Chairman); Cllrs I Haywood; V Kress; S Berry; J Sangwin; R Sumpner; S King; L Hammond and Sandra Morrison (Clerk)
Guests: Ward Cllr D Rudd and his guest, and one member of the public

240. The Chairman welcomed both members and guests and asked if anyone was proposing to record the meeting. Cllr Sumpner declared, that he intended to record the meeting and had been recording meetings for some time. Cllr Rigby advised

that Cllr Sumpner had failed in his duty by not declaring that he was recording. One councillor raised an objection to the recording and one member of the public declared that he was unaware that meetings were recorded but had no objections subject to the recordings not being shared with third parties. No assurances were given that data was secure and would be safely destroyed. Cllr Sumpner advised that he recorded the meetings for his own personal use. The clerk advised that this could be a potential breach of GDPR. Cllr Sumpner switched off his recording machine.

241. Apologies were received from Cllr Rick-atson

242. Code of Conduct: Declaration of Interests were received from Cllr Hammond and Ward

Cllr Rudd on agenda item 10 a and b - planning applications, as both councillors are members of ERYC planning committees.

Pecuniary - none

non-pecuniary Cllrs Hammond and Rudd

granting of dispensations - none

243. Open Forum: There was no request for public participation.

244. Ward Councillors Report and outstanding issues

Cllr Rudd gave an update on ERYC council tax increase of 4.99%, 2.99% being a general increase and 2% for social care. Humberside Fire and Rescue have an increase of 5.5% and Humberside Police & Crime Commissioner 5.9%. ERYC intend to continue to offer a full range of services and four capital projects are planned, due to additional support from central government. A business day is to be held at Bridlington Spa on Friday 9th June - ticketed event. ERYC have received a further grant of £3.3million to further upgrade lights to LED, the A1079 and A164 will be upgraded. All 10 council waste sites are to have defibrillators installed at an investment of £7k.

Cllr Hammond advised that he had attended a meeting with Woldgate School to discuss the proposed changes in admission policy. A final decision is likely to be made by the board over the next few weeks.

The litter bin is now in place and is being used. The footpath at Vale Crescent has been repaired. Givendale Road has had some sections resurfaced.

A new meeting with Humber Forest re proposed tree planting to be rearranged with less councillors present.

The devolution 'Tour' conducted last year showed results overwhelming in favour of a mayoral authority.

A cyclist was quite seriously injured on Givendale Road - Cllr Rigby thanked Cllr Hammond for his intervention.

Cllr Berry advised that there were issues with litter on Garrowby Hill. Cllr King thanked Cllr Sumpner who has already made a start on collecting the litter. A further working party is to be organised to do more.

Cllr Berry has had a planning query as to whether large scale developers have to engage with highways re traffic flows? Cllr Hammond confirmed that this was part of the planning process.

Cllr Berry also asked on behalf of a resident what is the benefit of holding an election? The response given was that we are a democratic society. An election will only be triggered however if

the council has more candidates than seats.

245. It was proposed by Cllr Berry and seconded by Cllr Kress that the minutes of the meeting held on the 23rd January 2023 be signed as a true copy. Resolved

246. Matters Arising: update on outstanding items from previous meeting.

a) Cllr Rigby advised that some verges have been repaired and roads partially cleaned, but now needed sweeping. Further information to be sent to the clerk for a letter to be raised for residents' benefit.

b) The request for a new footpath along Main Street to Wolds Edge was considered. No proposals in favour of this were received. Cllr King proposed and Cllr Haywood seconded opposing the request. Cllr Berry abstained. Resolved

c) Cllr Rigby acknowledged correspondence received from residents regarding the re-siting of benches on the village green. Options were discussed and it was agreed that the preferred option would be to lift the bench and extend the concrete stand and reposition the bench further back from the edge of the road. Cllr Sumpner advised that this needed to be done for benches at both sides of the road.

d) The clerk advised that a ticket has now been issued for the installation of street light shades on the requested lamps.

248. Finance:

a) It was proposed by Cllr Kress and seconded by Cllr Sangwin that the accounts and bank reconciliation to date be approved. Resolved

b) It was proposed by Cllr Sumpner and seconded by Cllr Berry that payment as per schedule 2, clerk's remuneration be approved. Resolved

c) It was proposed by Cllr Hammond and seconded by Cllr Kress that payment of ERNLLCA Inv 933 for £18.00 be approved. Resolved

d) It was proposed by Cllr Hammond and seconded by Cllr Haywood that payment of the ICO fee of £40 be approved. Resolved

249. Community Issues:

a) Cllr King raised a query on hedge cutting and tree works in the conservation area. This has to be approved via ERYC planning as trees in the conservation area are protected.

b) Cllr Haywood raised the issue of damage to the village green by vehicles entering and exiting adjacent properties. This to be put on the agenda for the next meeting and a policy created.

c) Cllr Sumpner advised that the new litter bin keeps blowing over and needs securing by means of a post. Cllr Hammond to address.

d) Work has been carried out behind the farm on Vicarage Lane, and soil has been banked up fol-

lowing the cleaning out of the ditch. Cllr Hammond to take up with the public rights of way team.

250. Correspondence: to note the correspondence received since last meeting.

- i) ERNLLCA January Newsletter and training dates was circulated
- ii) The Street Trading and Collections Licensing Policy review was circulated for response
- iii) The Rural Household survey on the cost of living was circulated for response
- iv) Market Weighton Parish & Town News Release for February was circulated
- v) An Email update from ERYC re the elections was circulated
- vi) An Email re opportunity to book a presentation covering the topic of domestic abuse was circulated
- vii) A new updated covering NALC publications pre-ordering requirement was circulated, clerk to request further information as to costs.
