Ofsted Inspection @Bugthorpe

Just before half term, two Ofsted inspectors visited Bugthorpe to complete a Section 8 inspection of our school. The inspectors were really impressed with our curriculum, Phonics scheme, subject leadership teams, vision and values; all of which are shared across our two schools. The inspectors left the school, fully knowing how we live and what life is like at Bugthorpe,

which is a credit to the staff and governors across our Federation, and, of course, the wonderful children. We are looking forward to sharing the published report with our school community in the coming weeks to celebrate our successes.

Our sister school, Sutton upon Derwent, were also inspected this week! They were equally impressed with the curriculum and how we instil a love of reading from a young age. This time they focussed on Maths and believed that our children enjoy the self-service of additional challenge in lessons, which they relish. They commented on the fact we are a 'real' Federation; with staff moving across sites to talk in detail about practice.

Robinwood Residential @Bugthorpe

Activities from 9am until 9pm; we had such a fun time. Everyone behaved impeccably and really shone for our schools. The Course Leader, Dom, was so impressed with how many children challenged themselves and achieved what they set out to do. We look forward to going back in 2024!

Thank you for your continued support,

Mr B Holtby
Executive Headteacher

Michelle welcomed us to our second meeting of the year with an update on the proposed tree planting to mark our 100 (now 102) years of existence in Bishop Wilton. A walk round the village with some Parish Councillors will help to identify areas where trees could go and it is hoped this will be soon so we don't miss the Spring planting season.

In common with other WIs, our thoughts are turning to the Queen's Platinum Jubilee celebrations on June 5th. The village will have Afternoon Tea on the Green with an open invitation to everyone who will be invited to bring their own food, drink etc. Gill Cowlam, our speaker for the evening, was introduced to tell us about her life as an engineer. From her early efforts to study the subject at university when her school informed her "Girls don't do engineering" to graduating in Chemical Engineering from UMIST and getting seven job offers, she has shown remarkable determination to choose a career she obviously loved. As Offshore Installation Manager, she was in a very strong position to act as an advisor at some of the worst accidents which happened in the oil industry. She can also add working in Azerbaijan, Turkey and Georgia to her CV and prove that "Girls Really Can Do Engineering"!

March 2022

Michelle opened the March meeting on a sombre note reminding us of the terrible plight of Ukraine and suggested we might like to think of ways of supporting the victims. She also updated us on the tree planting with the news that the Parish Council has no objections to the areas chosen, but other pockets of land are subject to approval from the Highways Authority. We look forward to receiving this soon.

Our speaker, Rosalind Forbes Adam, was from Three Haggas Woodmeadow Trust and her passion for creating woodmeadows and inspiring others to plant and look after them came through loud and clear. As the name suggests, these habitats are a mix of woods and meadows, full of wildflowers and ideal for soaking up carbon dioxide - something we hear a lot about these days. Since 2019, 1247 species of insects have been recorded so Rosalind Adam is correct in saying "where woods and meadows meet, something magic happens"! Pay a visit to the Woodmeadow at Eskrick, York, and see the magic yourself.

If you've enjoyed reading about our various activities at Bishop Wilton WI, remember we are always looking for new members to bring the experience of age and the enthusiasm of youth to this corner of East Yorkshire.

Local History

We think this is the earliest school photograph of Bishop Wilton School that survives, and the teachers are Mr & Mrs Bramley. In later photographs their daughter appears as a young teacher.

We think it was taken in 1892 because a scan of the original was given to the Bishop Wilton Local History Group by Rita Clarkson of Kirby Underdale. Her Grandfather Frank Hardcastle was on it and by looking at the 1891 Census, Frank was 12, therefore we think it is 1892 with a possibility of being 1895.

Kate Pratt trawled through the school log books to record every entry where school photographs are recorded. We do know some photographs were not recorded in the logbook.

These are her findings:

March 11 1880

April 22 1892 - "in a group"

October 1895 - "in two groups"

March 20 1900

November 4 1914 - "children photographed by families"

May 22 1919 - "children photographed singly and in groups"

Unfortunately, we do not think the photograph taken in 1880 has survived, unless anyone has it in their family memorabilia?

Old School photographs will be on display at the Bishop Wilton Heritage Day on Saturday 15th October. I inherited the full Bishop Wilton School photograph album as compiled by Mike Pratt and have deposited it at Beverley Treasure House.

Rainfall

Rainfall for January 2022 - 19.3mm
(Average January rainfall- 65.9mm)
Rainfall for February 2022- 94.5mm
(Average February rainfall- 58.1mm)
Rainfall for year to date - 113.8mm
(Expected rainfall to date - 124mm)

Another year and another new record for the data I've been collecting for the last 20 years. This January was the driest January I have recorded with 19.3mm (0.8") compared to an average of 65.9mm (just over 2.5"). The previous driest January was back in 2006 when 27mm of rain fell and was a real contrast to January 2021 when we had the wettest January I've recorded with 142mm of rain. February, in contrast, was the second wettest February I've recorded with 94mm of precipitation - around 1.5" more than average.

Taken together, January and February have balanced out the running total for 2022 to an almost average figure - in fact we're marginally (10mm) drier than may be expected.

Bishop Wilton Hall Damage

Over the last few months, sadly, there have been several incidences of anti-social behaviour at the Hall. Thankfully none have been major, but damage has been caused and costs are now into the £100's. It is depressing for the Hall volunteers to have to deal with and we do worry that as the nights become lighter the incidents will increase.

Two PCSO's from Pocklington Police Station have met at the Hall with Trustees to discuss the way forward. We are looking at installing CCTV to the outside of the Hall and the police will include us in their drive arounds. Other measures will be put in place to prevent further damage, but it is sad that Hall funds are having to be used in this way.

The Police have asked us to report every incident by calling 101, asking for Humberside Police. If anyone sees any anti-social behaviour, please do give one of the Trustees a call or report it directly to 101. If you see a crime in progress, 999 is the number to call.

World Book Day was a great success with the whole school enjoying dressing up as their favourite characters. In the afternoon we had a 'Book in a bag' competition where children had to guess the mystery book from a series of clues hidden in the bag. We had some excellent guesses and great ideas and followed this with time to share our books and for the children to read together.

Shrove Tuesday was a rather messy but very delicious experience this term. Nursery and Foundation made pancakes and then tried a variety of toppings.

We have made the best of this stormy

weather by experimenting with materials to make kites and taking them on our welly walk to try flying them. We had to hang on tight to those strings!

In our art lessons we have been looking at the work of Andy Goldsworthy and attempting to create our own land art both in the playground and on our welly walk. A lot of care was taken with this activity and effort was put into improving the work produced.

Staying active is an important part of our curriculum and we took part in Schools' Football Week with the children practising skills and playing football each day. Children have also been involved in netball training and an inter schools Tag Rugby competition.

It is great to be able to have parents back in school again and we continue to stay as Covid safe as possible. Mums

have been invited in for a special Mother's Day Collective Worship, followed by tea and cake and we have an Easter craft day planned when we hope parents will join us and work with the children on their activities.

Please do follow Bishop Wilton School on facebook or twitter @PrimaryWilton to see lots more pictures of all our exciting activities.

THE BISHOP WILTON COMMUNITY SHOP & CAFE UPDATE

WE FINALLY HELD OUR FIRST PARTY!

After two years of waiting, we were finally able to hold our first volunteer party on 3rd March at the Fleece Inn. The evening's "entertainment" included a shop quiz, a fabulous buffet and a team challenge: 'Model your favourite film using playdoh'. After a few initial reservations, followed by much hilarity, 8 team entries were submitted for judging and 'Chariots of Fire' stole the first prize. As well as the chance to finally let our hair down, it was an opportunity to celebrate our successes and to marvel at what can be achieved when a community comes together. Thanks go to 'Team Fleece' for a wonderful welcome and a top notch buffet.

Our latest volunteer draw winners!

WE ARE LOOKING FOR AN ADMIN VOLUNTEER

Do you have a couple of hours to spare each week and would like to help us with some general administration? We are seeking a volunteer to help us keep on top of photocopying, filing and some general shop paperwork. Get in touch with Sue on 07766 632332 or call in at the shop if you would like to find out more.

DO YOU HAVE IT SKILLS AND A BIT OF SPARE TIME?

We are in the process of moving our documents over to a cloud-based file sharing system. We could do with some input from someone more experienced in setting up these systems who might also be able to assist with IT generally. If you might be able to help, please could you get in touch?

Say hello to this year's

BISHOP WILTON VILLAGE HALL AND PLAYING FIELDS ASSOCIATION

We are required by charity law to hold an AGM which this year will be on 28 April at 7pm in the main hall. As a member of the BW community you are warmly invited to attend, after all it is your Hall and the Trustees are managing it on your behalf having been democratically elected to office.

The Hall Trustees will report to you on how the Hall has performed both operationally and financially and will sketch out the main initiatives for the new financial year to the end of March 2023.

There will then be the opportunity for an open forum discussion and we invite any regular hall users to attend to look at usage and/or areas of concern.

2022 is going to be a busy year for the hall with a diary full of bookings and a strong forecast, recovering from the closures during the pandemic.

The Hall only runs because of the constant work of volunteers and Trustees to keep our great hall working - if you would like to help out in any form please get in touch.

The Return

The blackthorn bursts
as the days lengthen,
the frosts retreat
and cowslips emerge.

The meadow wakens
blue bells appear,
the hill changes hue
as the leaves unfurl.

The skies broaden
and late snow banished,
to the budding season
the swallows return.

Ruth Mardall

Lance Corporal Robert Cook, who died during the First World War has finally been laid to rest, more than 100 years after his death.

Born in Bishop Wilton, and one of seven children, the decorated soldier served with 2nd Battalion The Essex Regiment and died aged 38 on May 2 1915, two days after arriving on the front line near Ypres on the Western Front.

He was buried at the Commonwealth War Graves Commission's New Irish Farm Cemetery near Ypres after being identified by the Ministry of Defence's Joint Casualty and Compassionate Centre.

Holy Week and Easter This will be our first "in church" celebrations across the Benefice for Holy Week and Easter since the pandemic began so it is very exciting. As we have done before the services are shared across all the parishes *so if you need a lift to get to any of the services this can be arranged. Just ring the Rectory.* Sadly with St Mary Full Sutton having to be closed for repair we cannot begin with following the donkey up the High Street there for Palm

Sunday 10th April so instead we will be having a service with the blessing and distribution of Palm Crosses at St Edith's, Bishop Wilton at 10.00. On Maundy Thursday April 14th we remember the Last Supper with a service of Holy Communion and time of prayer at St Andrew Bugthorpe at 7.00pm. On Good Friday April 15th our meditations on the Cross of Christ are supported by the Garrowby Singers and we will begin at 3.00pm at St Edith, Bishop Wilton. On Easter Day 17th April we begin with 08.00 Holy Communion at Bishop Wilton followed by a 10.00am Easter Communion for All at Skirpenbeck and at 11.15 Easter Communion with hymns at Kirby Underdale. Easter eggs will be given out at all services!

Thursday 26th May Ascension Day 7pm talk in All Saints, Kirby Underdale Dr Ruth Beckett will be giving a talk on the history of the church and some of the colourful characters associated with it. Afterwards refreshments will be served in Kirby Underdale Village Hall. Tickets will be £5. Please reserve one by calling Ruth on 07956 806313 or email rubeckhistory@gmail.com which will help with planning.

Sunday May 29th Ascension Benefice Service 11.15 Kirby Underdale Ascension Day is always very special in the village so it is good to be able to have our Ascension fifth Sunday benefice service at Kirby Underdale and it will be followed by refreshments. Details nearer the time.

Platinum Jubilee 10.00am Sunday 5th June Bishop Wilton a special service of celebration for all the villages with hymns and songs and readings giving thanks for the faithful service of the Queen. We will be helped to celebrate by the Garrowby Singers. There will also be a communion service at 08.00.

Bugthorpe and Kirby Underdale Parish Council

Minutes of the 155th Meeting of the Parish Council held at Kirby Underdale Village Hall on Monday 7 March 2022

Present: Councillors: D J Pearson - Chair, F Goodhart, K Robinson, H T Paul, R Crow, T Atkinson, D J Lord - Clerk

In attendance: Ward Councillor D N Rudd

1. Apologies for Absence were received from Councillors Lady Halifax, Birks and Huffington.

2. Minutes of the Meeting held on Monday 6 December 2021 were approved and signed as a true record by the Chair and Clerk.

3. Declarations of Interest - The Parish Councils (Model Code of Conduct) Order 2001. There were no declarations of interest.

4. Matters Arising from the last Meeting:

a) Bugthorpe & Kirby Underdale telephone boxes - The Clerk confirmed that the Bugthorpe telephone box had been taken to Garrowby Sawyard for refurbishment. A discussion then took place about using both telephone boxes to house the defibrillators. To avoid significant financial cost in doing this it was agreed that a sign should be located on the car park wall directing members of the public to the defibrillator in the back yard. A similar sign could be put on the corner of the Kirby Underdale Village Hall directing the public to the defibrillator at the back.

With regard to the Bugthorpe telephone box it was agreed to the proposal to make it a book exchange and therefore the Estate Joiners will fit the necessary shelves.

b) Dog fouling in Bugthorpe & Kirby Underdale. - Councillor Crow raised the possibility of installing a dog bin in Bugthorpe. Councillor Rudd responded by saying that East Riding of Yorkshire Council do not encourage the installation of dog bins in villages, but would be prepared to put in general waste bins which could then take dog waste. It was agreed that it would not be appropriate to install general waste bins in Bugthorpe village.

c) Broadband - The Clerk confirmed that Halifax Estates will continue to press BT Openreach for a response regarding the fibre scheme for Kirby Underdale and the outlying properties not served by the existing fibre connection in Bugthorpe.

d) Potholes - the Clerk reported that over the last 3 months the potholes have deteriorated throughout both parishes. It is therefore his intention to survey the roads once the risk of frost has passed, to identify potholes and report them to East Riding of Yorkshire Council. Councillor Rudd asked to be copied into this correspondence. It was agreed that Halifax Estates would fill the

large depression on Stephenwath Lane, which is not part of the highway, but is used as an informal passing place.

e) Traffic congestion at Stamford Bridge - Councillor Rudd said that he attends monthly liaison meetings with the prison to monitor development of the new facility. However the issue of congestion at Stamford Bridge has not been discussed at any of these meeting.

Councillor Rudd suggested that the Clerk should contact Councillor Kay West, who is one of the Ward Councillors for the Stamford Bridge area.

f) Roadside grips - accepted as a matter of report.

g) Additional recycling - Councillor Robinson said that she is receiving some recycling so that she would continue collecting it for the time being.

h) Community Litter Pick - the Clerk confirmed that the litter pick would take place between 9am and 11am on 19 March. Flyers will be distributed over the next few days. Councillor Crow confirmed that he still had a good supply of black plastic bags and the Chair said that he would contact Stamford Bridge Scouts to borrow the litter pickers again.

5. Other Matters.

a) Jubilee Pasture - Councillor Robinson and the Clerk reported on the scheme to create a community space adjacent to Pasture Farm for both Bugthorpe and Kirby Underdale parishioners to enjoy. It will incorporate a native broadleaf woodland planting, a pond, benches, a wild flower meadow and an information board. A National Lottery grant has been made to cover the cost. The Chair clarified that this is a Parish Council application and that the Parish Council would have to accept ongoing responsibility for the site, in conjunction with the agricultural tenant, David Wardell.

b) Pedestrian bridge across beck at Low Hall - Councillors noted that East Riding of Yorkshire Council have accepted responsibility to carry out the necessary repairs.

c) Water main leaks - the Clerk is in the process of contracting Yorkshire Water regarding the regularity of leaks on the water main between Bugthorpe and Kirby Underdale. been granted for two new pig buildings to be erected at South Wold Farm.

e) Future of Kirby Underdale Village Hall - the Clerk reported that 65 questionnaires were returned, of which 53 were in favour of retaining the Village Hall. A programme of repairs will now be put together in an attempt to make the facility more attractive to potential hirers.

f) Application to crown reduce two lime trees at The Old Rectory, Bugthorpe - Councillors accepted this as necessary for safety reasons.

g) Retrospective approval was given for the following payments: Parish Pump £45.00; G. Sissons - half year bus shelter cleaning £50.00; K. Robinson - reimbursement of website expenses £51.00.

7. Any Other Business

a) Councillor Robinson confirmed that she would apply to the Jubilee Fund for a grant to assist with the costs of the Jubilee gathering at Bugthorpe War Memorial Institute on Thursday 2 June 2022. The grant available is between £100 and £500, and this can go towards either the refreshments or possibly commemorative gifts for the children made by the Bugthorpe Pottery.

b) Councillor Crow warned of current scams profiting from the fund raising efforts for the people of Ukraine. Councillor Robinson said that she would ensure that warnings were posted on both the Village and Parish Council web sites.

c) The Chair mentioned that St Marys Church at Skirpenbeck is collecting on a Wednesday and Saturday between 9am and 1pm for the Ukraine crisis.

d) Councillor Rudd confirmed that at an East Riding of Yorkshire Meeting held on 23 February it was agreed that the Council Tax would increase by 3.99% for 2022-23, with 2% going to social care and the balance towards general costs. The Fire Brigade are requiring a 1.99% increase and Humberside Police 4.1%. As a result of these increases, the Council Tax on a Band D will be £2,000.08 next financial year.

e) Councillor Rudd mentioned that Councillor Hammond has sent a letter to Parish Councils regarding devolution and he would be prepared to attend a Parish Council Meeting to talk about this, if required.

A Look at Our Episode of Dream Home Makeovers With Sophie Robinson

After months of keeping our lips sealed, here at Grandad's Shed we're very excited to finally share the news that our episode of Dream Home Makeovers with Sophie Robinson featuring our upholstery has been shown on TV Channel 5! That's right, Grandad's Shed was on your telly!

So let's share a look at the episode which we lent our hand to the wonderful Sophie Robinson on this colourful project...

We helped Sophie tackle a big family home where globe-trotting retirees Colin and Jane wanted to bring their personality into the downstairs and bedroom. This meant blending their admiration of the original features with a love for bright colours of India.

Downstairs, we were busy creating soft furnishings that were teaming with personality and fun. For the cushions, blinds and curtains, we used rich and opulent fabrics which mirrored the couples love for bright colours and their respect for the period features of the property.

One of my favourite areas of the project was the window seat. It looks so fun, cosy and inviting! Framed by our blinds, we got to work making custom window seat cushion and bolsters. Gorgeous! If we do say so ourselves!

There was more creative design to be had in the bedroom too. Whilst the colours in this room were more muted and laid back, they certainly still packed a punch. Again, we worked on some custom upholstery and scatter cushions for this room transformation.

My favourite part of the upholstery that we worked on in the bedroom has to be the drapes, canopy and headboard. We used the stunning Miji fabric by Linwood fabrics which features lively tropical floral and birds. We made and shaped the headboard to create a

grand feature to the head of the bed.

Jane had bought a beautiful Antique Screen; we removed the tired fabric and replaced with another stunning printed fabric and finished the edges with a contrasting braid.

Together they make a real show-stopper for this grand room, perfectly bringing a traditional feature into the modern day.
