124th Bishop Wilton Show

It's great to be back! After three years without the show in its traditional format, Saturday 16th July was a great success. This year we all

needed shelter, but for a completely different reason this time, as the sun beat down all day on a fantastic event bringing the local community together.

There was great support for all the traditional tent classes, attracting some wonderful entries, giving the judges some challenging choices on the winners. There were some tricky decisions to make for some! It was a difficult day for livestock in the heat, but despite that there plenty of entries for the dog and horse classes. It was great to see so many youngsters getting involved in the sheep classes too. Some clear show winners in the future!

There were some new trade stands and attractions. The Purple Pig Company always seemed to have many gathered around, and once again the Knights of Nottingham didn't disappoint. There was a great array of fabulous food and drink, with many of the stall holders kept very busy throughout the day, especially the ice cream vans! We're grateful to Tim and Caroline Wardle for opening up their toy cupboard and bringing along their tank. That was really special and added to the great array of vintage cars and tractors, as well as this year some stationary engines. The Jorfors Hall living history group put on a really impressive display of life in Viking times, with some very life like battle scenes!

We were fortunate that it wasn't too hot for the half marathon. The winning time of just under 79 minutes was amazing, given the hills and the heat. Fortunately, all passed without incident. Next year we are intending to run a cross country race along the stunning tracks and valleys around the show site. There'll be more to read about on this, and much other show news on our revamped website: www.bishopwiltonshow.co.uk in due course.

There was music for all, with Rockin Deke River and The Jitters Band on the trailer bandstand, followed by local band Anthea Drive, headed up by our own Shelley Best. The Habitual Drunkards keeping the Members Bar entertained later in the afternoon.

All in all, a highly successful event, given that we'd had a

two-year hiatus. Next year is the 125th Bishop Wilton Show and the Committee really want to make it something special. There are a great many people to thank for their support in putting on the show; the organising committee, those that help support it financially, the many that get involved in the site build up, and the many that contribute in their own way behind the scenes. You know who you are. Above all, thank you to all that attended. I hope you enjoyed it, and long may this very special event remain in the local calendar.

Keep Saturday 15th July 2023 clear. It's promising to be a great weekend.

Skirpenbeck News

Many thanks to all who supported the Garrowby Singers Summer Concert. It was, yet again, a very warm evening! We raised a magnificent £500 for St. Leonard's Hospice. The Garrowby Singers will be in Full Sutton for Harvest, and Bishop Wilton for both the Advent service and our Christmas Concert.

St. Mary's Skirpenbeck are holding a church fete on September 10th from 2pm onwards. There will be a variety of fun things to do including children's games and craft activities with plenty of cakes, tea, coffee and soft drinks. Tombola and raffle prizes to be won! Everyone is very welcome as always. We look forward to seeing you at St. Mary's Skirpenbeck on 10th September.

Beck and Bells

The Parochial Church Council (PCC) of St Edith's, Bishop Wilton is delighted to have been awarded a grant of up to £45,444 by the National Lottery Heritage Fund.

The grant is for a project celebrating the history and heritage of Bishop Wilton and we hope to involve residents of all ages.

The project - *Beck and Bells* - will enable us to repair and rehang the three church bells, allowing them to ring out once again over the village and surrounding countryside. We will be installing an electronic unit so that they can be sounded automatically, but bell ropes will be provided to allow them to be rung manually. The work is planned for the early autumn. We will need to stop the clock and cover it while the repairs are carried out in the tower. We're planning to install webcams in the church tower so that people can see the work being carried out by the bellhangers.

The grant will support the printing and publication of 'A Local History of Bishop Wilton,' which will be launched at the Bishop Wilton Heritage Weekend on the 8th and 9th of October.

We will also be producing a permanent exhibition for St Edith's Church, featuring the history of the village, the church, and the bells.

There will be a series of events, including beck walks and talks. Bishop Wilton School will be involved, and we hope that all the children and young people who live here will take part in the activities.

We would like to revive a tradition described by Kate Pratt in the local history bulletins:

November 5th used to be called Ringing Day, and was traditionally celebrated by joyful ringing of the church bells. This was ordered by Parliament throughout the land as a day of public thanksgiving at the failure of the Gunpowder Plot in 1605. It was obviously a big day in Bishop Wilton... and the ringers' work was rewarded with a special breakfast. Judging from the

Made possible with

Heritage Fund

Churchwardens' Accounts of 1809, there must have been a whole team of ringers as 25lbs of beef was bought in...and William Tenneson, then the publican at the Fleece, was paid £1/6/6d for "making breakfast ready and Ale."

Our ringing day might not be quite as big as that one, but we hope that people will enjoy it as much!

We are very grateful to the school, Bishop Wilton Hall, St Edith's Parish Council, the Community Shop, the WI and the Pocklington and District Local History Group for writing in support of our application. Also, huge thanks to the people who have donated to our bells fund; your generosity helped to make our application a success.

Beck and Bells will get under way in September.

Local History

Putting the finishing touches to the exhibition at Bishop Wilton are (left to right): Mr Keith Wills, Mrs Kate Pratt, Mr Derek Ravis, chairman of the Restoration Appeal Committee, and Mr Mike Pratt.

The newspaper clipping is from 1978 which was the first heritage exhibition to be held in the village. It was organised by Mike and Kate Pratt. Mike started the Bishop Wilton Local History Group in September 2002 following a wartime evacuees' reunion in July of that year. The committee consisted of Mike Pratt (Chairman), Kate Pratt (Secretary), Andrew Sefton (programme coordinator), Andrew Boyce (Publicity Manager) and Wendy Gilding (Treasurer). It was active for about 10 years and many village people joined the group and attended meetings as well as contributing articles to the 20 bulletins we produced over the period of its lifetime. Unfortunately, some of the contributors have since passed on, including Mike Pratt, but their written articles live on in the bulletins.

A new 420-page book 'A Local History of Bishop Wilton' is being planned to consolidate all the articles into one prestigious village keep sake

with the support of the National Lottery Heritage Fund. It will be available for purchase at the Bishop Wilton Heritage Weekend being planned for the 8th and 9th October. Please note the change of date from my article in the previous Parish Pump. The weekend will consist of an exhibition of old photographs, memorabilia, historical finds, and a comprehensive set of old school photographs which the history group pulled together along with pupil names. Also on display will be the old 'veterans' cricket team mentioned in the 1978 article. Each day in the afternoon at 2pm will be a guided historical tour of the village led by two original committee members Andrew Boyce and Andrew Sefton. In the evening Bob Sefton will be showing his old and unique cine film of the village starting at 7pm in two parts with an intermission for refreshments.

Look-back on life of the village

A very successful exhibition of old photographs and maps of Bishop Wilton was held last Thursday in the village hall, to raise money for the Parish Church restoration appeal.

The event, which realised about £85, proved so successful that it is likely to be repeated next summer in the church itself, when it is hoped more villagers will offer photographs and relics from the village history.

The idea of holding such an exhibition was devised by Mrs Kate Pratt, who borrowed most of the

exhibits from local people. There were displays of photographs and the Vicar, the Rev. N. Strong brought along some of the church silver to display.

About 100 people saw the exhibition, staged last Thursday night, and took part in a competition answering questions about the articles on display.

One particularly interesting section of the exhibition was a series of photographs of the village 'veterans' cricket team,' which played in the 1920's and of which all its members were aged over 70!

Exciting News!

We entered the

competition to design a logo for the new walled garden at Burnby Hall. Bishop Wilton won the Richard Seaborn Trophy for the best display of six logos and Alice (Y5) won the best individual entry.

Our entries for the exhibition hosted by The Pocklington Arts Centre, celebrating the Queen's Jubilee, at All Saints Church in Pocklington, produced three winners and a super cash prize for the school too. Congratulations to Danielle (Y4), Queenie (Y6) and Lucy (Y5).

This term we have been working hard and taking part in lots of exciting activities. KS2 took part in the Countryside Day at Garrowby Estate and explored many different activities taking place from farming and gamekeeping to woodland management.

The whole school enjoyed a tea party to celebrate the Queen's Platinum Jubilee.

Sports day was a great success, with plenty of races for everyone and ice pops to cool down at the end!

KS2 children will shortly be setting off on a trip to London and we have a whole school trip to the Yorkshire Wildlife Park planned along with other fun activities such as a bring your pet to school day and a water fun afternoon.

It is always sad to say goodbye to those leaving at the end of the summer term but we wish them well in the future.

Please do follow Bishop Wilton School on Facebook or Twitter @PrimaryWilton to see lots more pictures of all our exciting activities.

THE BISHOP WILTON COMMUNITY SHOP & CAFE UPDATE

BISHOP WILTON SHOW

Saturday 16th July saw the return of the Show after a two-year hiatus and the first chance for the shop to have a stand. It was a beautiful day and the perfect opportunity for our Manager Sue to showcase some of the lovely products from local suppliers which we stock. Our new range of hessian bags in striking colours also made its debut. Get yours whilst stocks last!

VOLUNTEERING

Would you be interested in becoming a volunteer at the Shop? We are always looking for people over the age of 14 to join our friendly team and full training is given. It's a great way to meet new friends and help out in the community at the same time. For younger volunteers it's a really positive thing to add to a CV for job hunting or UCAS application. Check out our website for more information, send us an email or pop into the shop to speak to our Manager Sue or Emma our Volunteer Coordinator. You'll be made very welcome!

CUSHION COVERS

Are there any keen craftspeople out there who would be interested in volunteering their time to make some new covers for the cushions on our café bench and enhance our outside space? The shop would provide all the necessary materials. If you'd like to help in this way please speak to Sue in Shop, we'd really appreciate it!

WINNERS VOLUNTEER PRIZE DRAW MAY/JUNE

Why join Bishop Wilton W.I.?

Well, there are many reasons. Eating

cake is one. But friendship is one of the big reasons people come along. It is a chance to meet new people and put a name to faces. We meet once a month, so it isn't a huge commitment in time, but a welcome opportunity to catch up with friends and learn about something new.

We keep our guest speakers pretty varied. One week we could be hearing about someone's fascinating job, hobby or skill, the next enthralled by historic tales from around the Wolds, Yorkshire or further afield. We might listen to an expert on natural history or the environment, or you may find yourself learning a new skill or craft. If you want to try it out, you're welcome to come as a guest up to three times a year - it's £4 per visit. Here's what's coming up:

September 5th Branwell's Flute and Hardy's Hornpipe

October 3rd Guy Fawkes and the Gunpowder Plot

November 7th Theatrical Millinery from Shakespeare to Panto

January 9th The 40th Anniversary of the Falklands War

February 6th Wildpath Nature Tours

March 6th The Importance of Bees

The W.I are also a key part of the Bishop Wilton community, running monthly book, coffee and cake mornings and chatting while crafting at the Craft Club. We meet up for Wednesday walks, look after the village planters and organise the W.I tent at the Bishop Wilton Show. We also help raise funds for St Edith's church and for the village hall, as well as supporting a wide variety of village events.

So come along and see what you think. Meetings are held on the first Monday of the month (apart from Bank Holidays) from 7:15pm to around 9pm.

P.S Did we mention eating cake?

June's meeting proved to be a very popular one when we listened to a talk by Theresa Brindley, creator and co-owner of Pocklington's award winning shop / *Love Zero*. Lockdown 2020 meant that Theresa, partner Paul and three children, Thomas, Jessica and Rosie, spent time evaluating what was

important in their lives. One morning after assessing the state of the family shower, cluttered with plastic bottles containing everyone's favourite toiletries she made the decision to do something about it! This was a "If I don't do it now, then when" moment with Theresa deciding

she was ready for a career change, leaving her teaching post to follow her dream of owning a shop. After some deliberation with Paul, a deli or coffee shop were put aside in favour of an eco friendly shop. *I LoveZero* was launched in 2020, quickly outgrowing its

original premises and relocating to much larger premises in Market Street. The shop offers people an alternative to buying dry and household goods from supermarkets in packaging. Customers can take their own containers, purchase them in store or ask for a paper bag to help cut waste. The relocation enabled /

Love Zero to increase their stock and give more choice to the growing number of ethically conscious shoppers. Paul spends his time researching new products, keeping the books in order and checking stock and prices. Theresa explained that all her children are involved in the shop, serving, making suggestions and even creating unique scented candles. After a humorous, fact filled talk

explaining about the eco-friendly products, many locally sourced, it was then shopping time! We browsed and bought eco eggs, olive wood soap dishes, shampoo bars and chocolate! Thanks were given to a very inspiring woman; she has certainly made me evaluate the products I'm using!

July's meeting was interesting in a different way; another inspiring person talked about his volunteer work, our speaker was the Venerable Michael Kavanagh. Following his retirement from being Chaplain General to Prisons Mike has worked as Curate in the Garrowby Benefice and also as a mentor at an alternative provision for students struggling in mainstream education, Vision Motor Training in Beverley. The title of the talk was "Prevention is better than Prison".

Mike began by reflecting on the fiscal and human cost of having 83,000 people behind bars in England and Wales. Not only was this a waste of a huge amount of human potential, at an average cost of £44,000 per prison place it was also a significant drain on the country's resources. In spite of the hard work and commitment of prison staff, reoffending rates are 24% in the first year after release with this rising to 34% for juveniles. Mike invited members to reflect on some of the risk factors for offending and also some of the things that protect people from offending. If more could be done to address risk factors and boost protective factors it may be possible to divert people from prison or support people desisting from crime sooner thus ensuring fewer victims. A significant area of risk is among people excluded from school which can also lead to people spending time with friends who are not a positive influence and having the opportunity to get into trouble.

A study by the Youth Endowment Fund in 2021 showed four factors were helpful in supporting people back into education. These were violence reduction, mentoring/monitoring, counselling/mental health and enhancement of academic skills. Vision Motor Training seeks to address these areas by: addressing tensions before they flare into violence and encouraging students to learn to talk about their problems and be reconciled when things go wrong; providing mentoring support to the students to explore their hopes for the future and how they can achieve these; referring students to juvenile mental health services and staff also provide ongoing pastoral care and a listening ear over the time the students are with them; encouraging and supporting students to get a qualification in motor mechanics which is something that is motivating for them. The students themselves say that what especially helps is the small class sizes and the positive relationship with staff members who listen, encourage and challenge them as well as celebrating their success. Seeing year 11 students leave and go on to take a level 2 qualification in motor mechanics at college is so rewarding for Vision staff and offers hope for the future for the students. It also underlines how important funding for this work is as a way of diverting people from prison, preventing victims of crime and enabling people to live enjoyable and productive lives.

Mike's informative talk, enlightening us of the valuable work being done by Vision Motor Training, was very well received by us all. Thank you Mike.

Fleece Inn Golf Club

We have just realised that our Golf Society is 25 yrs old, founded by our old friend Colin Robinson and still going strong! We send out an invitation to all members past and present to join us for a celebration meal following our final golf outing on 5th October, naturally at the Fleece Inn at 7pm. We hope you can join us in this special evening.

Outing to Hessle Golf Club Wed 8th June

This was our second outing of the summer "tour" and certainly one of our favourites. We had 19 competitors and were pleased to welcome back to our ranks Paul Lindley-Curtis - hope you enjoyed the day and can join us on future outings.

The forecast was for a mixture of sun and showers but it was sunny all afternoon, a little breezy but a very pleasant day keeping the tradition of a good day at Hessle.

Upon arrival we were welcomed with bacon sandwiches and tea or coffee which we enjoyed on the balcony overlooking the course - a great feature. Our volunteer host for the day was Col Pollock who did a stirring job. Thanks Col. The draw for partners and order of play was announced and we tee'd off in 4 fourballs and one threeball - eager anticipation was sensed!! The course was in splendid condition and presented on the day perfectly. Many of the greens are undulating and tricky to read - very often giving impressions of a definite slope and once putted finding the opposite - a very subtle design!! All the fairways are beautifully cut and the greens are well prepared - there are also a number of ponds to negotiate adding to the difficulty - particularly on the 16th hole par three where your tee shot has to carry the water to get on the green!

Now the all important results:

1st Ron Overton - 39 points
2nd Phil Woodliffe 36 points

3rd John Sleightholme 34 points

4th Graham Souter 33 points

Spot Prizes Nearest the pin on par 3 holes with tee shot:

2nd Hole Phil Woodliffe

8th Hole Ian Jones

11th Hole Joe Moore

16th Hole Phil Woodliffe

Nearest the pin in two shots on par 4, 12th Hole Martin Butcher. Congratulations to all the winners particularly Phil Woodliffe who was runner up in the main competition and had two nearest the pin wins!!

Our host for the day Col Pollock presented the prizes. Following the golf we tucked into large portions of either fish and chips or gammon egg chips and trimmings!! The clubhouse food at Hessle is second to none - it certainly is tough being a golfer!!!

Our next outing was to Hainsworth Park GC on Weds 6th July.

Hainsworth Park is always a great day out - the course is always well maintained and the food is second to none. We arrived at lunch time and were welcomed with delicious bacon sandwiches and tea or coffee. Our host/organiser for the day was Martin Butcher who kindly stepped in for an injured Allan Aikman. There were 15 competitors including returning members Mathew Jones and Charles Fenton, welcome back both. Digby Machin was also down to play but had to decline days before due to Covid!!

We went out in three 4 balls and one 3 ball.

The course was in good order - a parkland course but showing signs of the recent dry weather. The weather was kind to us; a little overcast and a fresh breeze but a good day for golf.

We had one clear winner, Luke Fenton with 40 points - thanks to an amazing back nine score of 26 points which equates to 8 nett birdies (8 under par) and 1 nett par - well played Luke!

And now the full results:

1st Luke Fenton 40 pts

2nd Dave Stamp 36 pts

3rd Gerald Fenton 35 pts (on countback)

4th Bob Sefton 35 pts

Spot Prizes Nearest pin on Par Three Holes with tee shot:

6th Hole Luke Fenton

16th Hole Col Pollock
18th Hole Gerald Fenton
Nearest pin on par 4 15th Hole in 2 shots
Charles Fenton
Nearest pin on par 5 13th Hole in 3 shots
Martin Butcher.
Following the golf we tucked into
Steak, chips and all trimmings plus a free
pudding of a light sponge and custard!! It
certainly is taxing having to play golf !!!

Our Stand in host for the day Martin Butcher
presented the prizes - thanks Martin - which
ended a super day out.

Our next outing is Hornsea GC on Wed 7th
Sept meet 12.30 and please note a change of
venue for our final outing: **Cave Castle GC**
Wed 5th October, meet 12.30.

Please come and join us. See you on the tee!

Love's harvest

You are the shimmer of barley waves,
that swell across the lea.

Silken ears slip through my fingers,
to fall in a dusty wake.

Lazy hum of honeybees
trace their blossom hunt.

Whispers of cloud in the fade of the day,
hold the song of a bird lost in flight.

Fragrant earth in dusk's early dew,
soft sunset balm as I wait for you.

Rainfall

Rainfall for May and June 2022 in Bishop
Wilton

Rainfall for May 2022 52 mm
(Average Rainfall May 2003-2022 56.1 mm)

Rainfall for June 2022 25mm
(Average Rainfall June 2003-2022 65.3mm)

Rainfall for 2022 so far 256mm
(Average Rainfall Jan-June 2003-2022
331mm)

Rainfall for the Meteorological Spring 2021
(March, April and May) 117mm (Average
Spring rainfall 142mm)

The roller-coaster monthly rainfall figures
continue. May was an almost 'average' month
with Bishop Wilton receiving only a little less
than the 20 year average. June, in contrast,
was much drier than average with 25mm of
rain against an average of 67mm- only 37% of
the expected. This June has been the third
driest June I have recorded with the Junes of
2006 and 2018 being much drier with 11.5mm
and 14mm of rain respectively.

Variations in rainfall between adjacent
localities are quite common at this time of
year as heavy showers are quite random in
their nature.

Overall, the rainfall totals for 2022 so far
show that we have had a drier than average
2022 with nearly 3" less precipitation than
the 13.5" that is the 20 year average for
Bishop Wilton. 2022 has so far been the third
driest first half of a year in the last twenty
with only 2005 (250mm), 2011 (254mm) and
2015 (221mm) being drier. The wettest first
half of the year was recorded in 2014 and
2016 when 458mm of rain were measured-
eight inches more than this year.

Church News From the Rectory, Worsendale Road, Bishop Wilton 01759
369974, 07888 668663 garrowbyvicar@gmail.com www.garrowbychurches.com

There is a very famous Louis Armstrong song "We have all the time in the world". It was the theme tune for the James Bond film, "On Her Majesty's Secret Service". It is used very movingly in the film but is profoundly wrong. We don't have all the time.... This came home to me when I was away on holiday and reading *Four Thousand Weeks* by Oliver Burkeman. He points out that this is the approximate number of weeks of a human life - sadly not all the time in the world. But he writes of this not as a threat but as an opportunity - how can we live a rich life spending the currency of our life, our time, wisely. He reminded me of just how precious each moment is. But so often we miss the moment because we have a tendency to live in the past or in the future. So how can we learn to live in the present more frequently?

One way is to take note of your surroundings. Close your eyes take a deep breath and then look around you. Notice where you are. What can you see and hear? Observe the patterns and textures. When you take time to really look and see you find it easier and more fulfilling living in the present.

Another way is to focus on one thing at a time. Don't try to do three or four things at once. It might seem a bit overwhelming at first but when you are fully engaged with a task you will be more productive and in the long term you will remember much more about what you've achieved.

Also be grateful for what you have now. Don't spend time focusing on what you don't have. Practice writing a daily list of what you have to be grateful for.

It is also good to accept things as they are and not as you would prefer them to be. Let go of the things that you cannot control and learn acceptance.

Spend a good part of your life with people who make you feel happy, positive and supported. This will help you to stop dwelling on past or future events.

Be mindful of everything you do. Focus whilst you eat. How does it taste? Smell? How is it making you feel? What sounds are around you whilst you are eating? Birds, Music Traffic? Go for a walk focusing on how you are breathing and what you are feeling. Focus on the now not what you have to do when you get back.

Take a break from the phone and the computer. Give up reading for a few hours or days. Allow your mind to be free so that you are present to yourself.

Living in the present moment allows you to appreciate where you are and who you are with. Savour each moment instead of wasting your time on what you cannot change or what may never happen in the future. The present moment is a gift to us.

If we are to spend our 4000 weeks well we need to have time each day. Time to prepare for the day and reflect on the past day to learn from it so that even if our lives are busy they are aligned with our deepest values and priorities. We are not wasting our precious time but treasuring the present. Living like this we will feel that we do have all the time in the world because each moment is lived well.

**New Service at Bishop Wilton 10.15 Sunday
25th September Harvest Family Service**

After the Mother's Day service at St Edith's a number of people asked for a Family Service once a month. This will now be a regular 10.15 on the fourth Sunday of each month starting on the 25th September with the Harvest Service. There will now be no 11.15 service at St Edith's on the fourth Sunday

St Mary's Full Sutton

I am pleased to say that St Mary's has had some repairs done to the ceiling and is now open for services. They will be on the third Sunday in the afternoon at 4.00pm, the only evening service in the Benefice. I would especially encourage you to come to the Harvest Festival on the 16th October at

4.00pm with the Garrowby Singers. More repairs will be needed in due course but this has been a great achievement. Many thanks especially to Adam Findlay and Richard Smithson.

Changes to the normal pattern of services:

31st July Fifth Sunday Benefice Service
10.00am Skirpenbeck
7th August NO 8.00 at Bishop Wilton or
10.00am at Skirpenbeck. The only service today will be the 11.15 at Kirby Underdale - please check schedule of services.

Sunday Broadcast Services

The services will be premiered at 10.00am on a Sunday morning and can be accessed through www.garrowbychurches.com, via the YouTube channel Linda Munt or you can have a link sent if you write to Mike K at mikekavanagh@hotmail.co.uk.

Garrowby Churches Meditation Group in St Edith's Bishop Wilton 7.00pm

The next meetings will be on Monday 29th August and Monday September 26th. They last for about 40 minutes with an introduction, time of silence and closing reflection. The chance to be still can be helpful and everyone is very welcome.

Choral Evening-Pelham Ladies Singers At St Edith's Church, Bishop Wilton. Saturday 17th September at 7:00pm.

The Pelham Singers of Immingham are a ladies choir. In 1997 they became members of the National Association of Choirs. The choir (numbering 25) have achieved a high standard through their musical director Wendy Parkhurst. The choir sings for pleasure while fund raising for various charities. A long time member of the choir, Janet Starkie (nee Sissons) is an ex Bishop Wilton girl who has voiced a wish, for some time, to bring the choir to St Edith's Church. Eleven years ago they performed in the village hall, which was an evening enjoyed by all. Janet's son Gary will be the guest artist. He has been a renowned lead singer in many musicals.

Tickets £10 (this includes first drink) are available from : Bishop Wilton Community Shop; Bugthorpe Post Office; Hazel Watson, 53 Main Street, Bishop Wilton; Jan Danby, 7 Main Street, Bishop Wilton

Queen's Platinum Jubilee Celebrations

Jubilee celebrations in Bishop Wilton took off on Thursday 2nd June with an invitation Cricket match (pictured on the front cover). In Bishop Wilton Hall, the Table Tennis Club were hosting a 3 day event (see article on P19). The Street Party plans for Sunday 5th June were hastily rearranged because of inclement weather but, as can be seen from the photos below, a great time was had by all who attended!

The Snapper Snapped!

Thanks to Allan Wilkinson (pictured above) for most of the photos of the Jubilee and the BW Show.

Table Tennis Club

The Queen's Platinum Jubilee celebrations must appear a long time ago. Fresh in our minds at the table tennis club they were a tremendous success, meeting three nights running on 1st, 2nd and 3rd June at our home venue, Bishop Wilton Community Hall. We had amazing attendances on each of the evenings. It was great to see so many new faces with varying abilities joining in, which is what the club is about. On Thursday 2nd June there was a special treat, when children and adults alike took on the challenge against the table tennis robot, a mechanical table tennis training machine, some faring better than others! Other tables were constantly in play throughout the three evenings as games of doubles and singles were played between all those popping in to see us.

Our commitment is to our members, new and existing to have fun and enjoyment, with a competitive edge if they wish. There is no better example than what our club is about than Caroline Fuller, who until November 2021 had never even held a table tennis bat, never mind played. Martin coaxed Caroline into taking part instead of watching from the sidelines, and six months later, at the Queen's Platinum Jubilee celebrations in the community hall we all applauded Caroline's success as Ruth Rowland awarded her the trophy for the club's most improved player. All members were invited to vote for the most improved player, and Caroline received significantly more votes than any other member. Congratulations Caroline, standing front and centre. After Caroline received her award the adults amongst us enjoyed a glass of Prosecco in celebration. Any excuse really! We meet every Wednesday evening from 7pm till 8 and have three tables constantly in use. All equipment including bats and balls is provided, so if you'd like to come along then all you have to do is bring yourself. Standards vary considerably from complete beginners, as Caroline was, to players playing to a decent standard; the emphasis is very much on socialising, having fun and enjoyment.

We're a good crowd and very welcoming, so why not turn up at 7pm on any Wednesday at the Community Hall, or contact Martin or Anthony if you'd like further information. We'd love to see you and you're guaranteed a very warm welcome!

Oak Tree Saplings

At the Queen's Jubilee, Garrowby Estate very kindly handed out little oak tree saplings. If you are in a position of not being able to nurture this sapling, or indeed have nowhere to plant a tree of this size, then they can be dropped off to either 14 Main Street or 87 Main Street where they will be nurtured and potted on until they are ready to be added in to the tree planting scheme on Braygate.

Bugthorpe and Kirby Underdale Parish Council

Minutes of the 156th Meeting of the Parish Council held at Bugthorpe War Memorial Institute on Monday 23 May 2022

Present: Councillors: D J Pearson - Chair, Lady Halifax, F Goodhart, K Robinson, D I Birks, R Crow, D J Lord - Clerk In attendance: Ward Councillor D N Rudd, E L Hammond

1. Election of officers:

Chair - Councillor Lord proposed Councillor Pearson and this was seconded by Councillor Lady Halifax

Vice Chair - Councillor Lord proposed Councillor Robinson and this was seconded by Councillor Birks.

Clerk - Councillor Pearson proposed Councillor Lord and this was seconded Councillor Birks.

2. Apologies for Absence were received from Councillors Paul and Atkinson.

3. Minutes of the Meeting held on Monday 7 March 2022 were approved and signed as a true record by the Chair and Clerk.

4. Declarations of Interest - The Parish Councils (Model Code of Conduct) Order 2001. There were no declarations of interest.

5. Matters Arising from the last Meeting:

a) Bugthorpe telephone box - The Clerk confirmed that the Bugthorpe telephone box refurbishment had not been completed, but that it would be finished prior to the next Parish Council Meeting in September.

b) Dog fouling in Bugthorpe & Kirby Underdale. - Councillors Crow and Pearson confirmed that there was nothing to report in either village.

c) Potholes - the Clerk reported that 50 potholes have been reported to Andrew Addison, Highway Engineer, throughout both parishes. Councillor Rudd commented that if the potholes are not regarded as dangerous they may not be repaired. The Clerk confirmed that he would expect the Highway Engineer to inspect the potholes to establish which ought to be repaired as a matter of urgency.

d) The large depression on Stephenwath Lane has now been filled and this was accepted as a matter of report.

e) Additional recycling - Councillor Robinson advised that the Co-op stores in both Stamford Bridge and Pocklington are now taking soft plastics, so this might be a better option for many parishioners than taking recycling to her.

f) Community Litter Pick 2022. The Clerk confirmed that this was well attended and cleared a significant quantity of litter. All

Councillors were in agreement that it should be an annual event in March.

g) Jubilee Pasture - The Chair confirmed that the National Lottery Heritage Fund application has been successful. It was agreed that the Clerk should write to Janet Wardell thanking her for putting the application together.

h) Pedestrian bridge across beck at Low Hall - Councillor Birks confirmed that she spoke to the East Riding of Yorkshire Council officer who inspected the bridge, who gave the impression that it would probably be 2023 before the bridge is repaired/replaced.

i) Kirby Underdale Village Hall refurbishment.

The Clerk confirmed that the Village Hall Committee and Halifax Estate will be jointly embarking on a project in 2022 to include internal and external decoration, internal plaster repairs, new curtains and new appliances in the kitchen.

j) Jubilee Fund application for gathering on 2 June. Councillors noted that £392.81 had been received which, when combined with the ticket receipts of £7 per person, will pay the costs of the evening. Receipts will be provided to the Clerk for accounting purposes and to reclaim VAT.

k) Defibrillator signs - Councillors noted that these are ready to install.

6. Other Matters.

a) Annual Return for the year ended 31 March 2022 - Accounting Statements and Annual Governing Statements were approved and signed by the Chair and Clerk.

b) The receipt of the Precept for 2022-23 in the sum of £3950 was noted.

c) The following payments were approved and cheques signed by the Chair and Clerk: Halifax Estates Clerk's salary, stationery, postage and photocopying £1080; Bugthorpe PCC graveyard maintenance £300; Bugthorpe Clock Fund £50; Bugthorpe War Memorial Institute £300; Kirby Underdale PCC graveyard maintenance and clock fund £275; Kirby Underdale Village Hall £300; Friends of Bugthorpe School £250; G Sissons Bus Shelter (half year) £60; ERNLLCA subscription 2022-23 £279.61

d) Proposal for speed limit in Kirby Underdale - Councillor Pearson confirmed that Kirby Underdale residents had requested consideration of a speed limit in Kirby Underdale. It was agreed that this would not be possible as there are no street lights or a school in the village. The alternative is unofficial signs asking drivers to slow down. The Clerk will investigate this.

e) Defibrillator and Basic Life Support training - The Chair confirmed that training sessions have been arranged with Yorkshire Ambulance Service on 6 July in Bugthorpe and 20 July in Kirby Underdale. Both sessions will be from 7- 8pm.

7. **Correspondence** No comments.

8. **Any Other Business**

a) Councillor Robinson asked Councillors to confirm that they have received no gifts or hospitality in their role as a Councillor. All Councillors confirmed this.

b) Councillor Rudd confirmed that the £150 rebate for Band A-D Council Tax payers, has been well received.

c) Councillor Rudd confirmed that ERYC are experiencing problems with recruiting staff, particularly in the care sector.

d) A discussion took place on Devolution, following Councillor Hammond's address prior to the start of the meeting. A decision on which deal the Council would support, if any, was deferred.

9. **Date of Next Meeting** Monday 5 September 2022 at Kirby Underdale Village Hall.

Pocklington Area Open Studios 1st & 2nd October 2022

Preparations are well underway for Pocklington Area Open Studios which is taking place on the weekend of 1st & 2nd October. 27 artists and makers will be taking part at 13 different locations within 10 miles of Pocklington including some in the Parish Pump area.

Ceramics, textiles, photography, jewellery, painting, printmaking and mixed media will be on display. The weekend will give the opportunity to meet local artists and makers, see their latest work and learn about their creative processes. Venues will be open 10 - 5 both days.

Brochures will be available in September from the venues and at other locations. More information can also be found on Facebook - pockareaopenstudios and Instagram - @pocklingtonareaopenstudios

Some venues will be doing demonstrations and offering refreshments, more information in the brochures when available or direct from venue.

Bishop Wilton Parish Council

Minutes to the Annual Meeting of Bishop Wilton Parish Council, held on Monday 23rd May 2022 at 7.00pm in Bishop Wilton Village Hall.

Present: Cllr Ingrid Haywood (Chair); Cllr P Rigby (Vice Chair); Cllrs V Kress, I Rickatson, S Berry, R Sumpner, S King, J Sangwin and Sandra Morrison (Parish Clerk)

One member of the Public

107. Apologies were received from Cllr Hammond who arrived part way through the meeting.

108. A Nomination was received from Cllr Rickatson that Cllr Rigby stand for chair. A nomination was received from Cllr Sumpner that Cllr Berry stand for chair. Cllr Berry declined. It was proposed by Cllr Rickatson and seconded by Cllr Kress that Cllr Rigby be duly elected as chair. Passed. One abstention.

109. Cllr Rigby accepted the position of Chair and signed the acceptance of office form, and thanked Cllr Haywood for her time in office, and for the work that she had put in over the last year.

110. Cllr Sangwin nominated Cllr Berry for the position of vice chair. Cllr Berry declined. It was proposed by Cllr Kress and seconded by Cllr Haywood that Cllr Rickatson stand as vice chair. Passed. One abstention. Cllr Rickatson accepted the position

111. The outgoing chair reported that 2021/22 had been a difficult year as we lost a good clerk under unpleasant circumstances, and had to battle through covid. The post covid street party however had been a huge success, uniting the community. Newsletters and surveys that had been distributed had given some good feedback. Cllr Haywood continued by welcoming the new clerk and stating that she felt that the council was now in a good position to go forward, and that all positions on the council have now been filled.

112. The following committees, sub committees and appointment of officers was agreed-
Personnel Committee - Cllrs Haywood, Kress and Berry

Playground Officer - Cllr Sumpner who will pull together a group as needed.

Village Hall Liaison Officer - Cllr Sangwin and Cllr Rickatson who will attend meetings if necessary
Flyers and advertising - Cllr Haywood, Cllr Kress and S Morrison (Clerk)

Gritting - Cllr Rickatson as point of contact

Planning - Full Council

Highways - Cllr Hammond

Notice Boards - Cllr King and Cllr Kress for Youlthorpe

Crime Liaison Officer - Cllr Haywood

Footpaths - Cllr King

Transport Champion - Cllr Hammond

Events - Full Council

113. Cllr Sumpner and Cllr Haywood offered to represent this Council at ERNLLCA district committee meetings. Agreed

114. The inventory of Land and Assets was reviewed and the additional bench outside the shop, to be added.

115. It was agreed that the insurance cover would be reviewed in September pre the November renewal

116. The following Governing documents were reviewed

a) Code of Conduct - it was proposed by Cllr Haywood and seconded by Cllr King that the ERYC code of conduct be adopted by this council. Passed.

b) Publication Scheme - it was proposed by Cllr Haywood and seconded by Cllr Hammond that the publication scheme as circulated be adopted. Passed

c) Complaints Procedure and Guidance - it was proposed by Cllr Hammond and seconded by Cllr Kress that the Complaints Procedure as circulated be adopted. Passed

d) Small Grant Application and Guidance - it was proposed by Cllr Hammond and seconded by Cllr King that the Small Grant Application and Guidance as circulated be adopted. Passed
Meeting closed 7.40pm

Minutes to the Meeting of Bishop Wilton Parish Council, held on Monday 23rd May 2022 directly after the Annual General Meeting which started at 7.00pm Bishop Wilton Village Hall.

Present: Cllr P Rigby (Chair); Cllr I Rickatson (Vice Chair); Cllrs Ingrid Haywood; L Hammond, V Kress, S Berry, R Sumpner, S King, J Sangwin and Sandra Morrison (Parish Clerk)

Three members of the Public

117. The Chair welcomed members and guests, and noted no apologies were received.

118. Code of Conduct: Declaration of Interests received: Pecuniary - Cllr Rickatson [agenda item 12 \(b\) Planning application 22/01434/PLF](#)
non-pecuniary - Cllr Hammond agenda items 12 planning, as sits on ERYC planning committees. Cllr Sumpner and all members agenda item 12 (b) Planning application 22/01434/PLF granting of dispensations - none

119. 7.47 pm meeting temporarily suspended to allow for a period of public participation. A

resident wished to speak regarding planning application 22/01213/PLF heard at the meeting of 11th May, in respect of an ice cream parlour. Cllr Rickatson advised that highways have submitted comments that 3 passing places are needed on the access road. The Parish Council's concerns were the access road and not the ice cream parlour itself. The resident advised the council that he felt that the unmade road would help reduce the speed of vehicles, and this would be a benefit. The access road has been made safe and pot holes have been filled. It is anticipated that there will be good foot traffic from walkers. All marketing will be done on line, not through road signage. The proposal is a farm ice cream parlour with farm animals. Local milk products will be used.

Meeting reopened 7.50pm

120. It was proposed by Cllr Haywood and seconded by Cllr Sangwin that the clerk write to the planning officer advising that the council's concerns regarding the access road have been addressed. Passed

121. It was proposed by Cllr Sumpner and seconded by Cllr King that the minutes of the meeting 11th May be recorded as a correct record, subject to an amendment on minute reference 101 (c) being changed to read it was proposed by Cllr Hammond and seconded by Cllr Sumpner that Cllr Hammond contact ERYC for approval of siting of 2 litter bins.

122. Ward Councillor's Report.

Ward Cllr Hammond reported that the damage to the chevron sign at the bottom of Garrowby Hill on the A166 was reported to him by a resident and will now be replaced by highways by the end of this month.

Vale Crescent and Worsendale Road will be getting pothole repairs (although a long term solution for Vale Crescent is being looked at as pot holes are not deep enough to be filled.). Highways are happy for the Parish Council to plant trees along Braygate subject to local consultation and specifics on species from the council's tree team.

Litter bins: about £450 each and both locations have been advised as being acceptable, but need to pick an end of the Balk, Youlthorpe.

123. Matters Arising: update on outstanding items from previous meeting.

The parish council have been advised that they cannot gift money to the proposed Community Benefit Trust. The trust could however apply to the Council for funding for a specific project. Halifax Estate and the village shop intend to explore their options further, but it is not now

considered to be a council matter.

The trees on Garrowby Road need cutting back as now obstructing the power lines. Cllr Hammond has reported the matter to ERYC, clerk to send further report to Northern Power Grid.

Cllr Hammond has obtained approval from ERYC for the proposed tree planting project. An article is to be posted in the Parish Pump asking for feedback, comments and any objections, as means of a public consultation. Cllr Hammond also to post on social media. To be discussed further at the next meeting.

Road closure notices have been approved and signage notices have been received in respect of the Queens Jubilee celebrations. The craft ladies have made 85 mtrs of bunting, which will be displayed around the picnic area. The first official grass cut of the green will be on the 27th May, cuttings to be collected by residents. It was proposed by Cllr Rigby and seconded by Cllr Sangwin that the £78.12 spent by the craft ladies be reimbursed from the ERYC jubilee grant, subject to approval from ERYC. Passed
A playground working party has treated areas of nettles with salt. The agreed repair work to the play equipment to commence in June.

124. Finance:

a) It was proposed by Cllr Haywood and seconded by Cllr Kress that the accounts and bank reconciliation to 31st March 2022 be approved. Passed

b) It was proposed by Cllr Hammond and seconded by Cllr Haywood that this council do declare themselves exempt from a limited assurance review and that the AGAR exemption statement be signed and submitted. Passed
c) The financial officers report was received and it was noted that there had been some account errors from previous years, that had not been picked up by the previous auditor. Report attached.

d) The internal auditors report was approved and it was noted that there were no further comments.

e) The assertion statement as AGAR schedule 2 was discussed, agreed and signed.

f) It was proposed by Cllr Berry and seconded by Cllr Kress that AGAR Accounting statement be approved. Passed

g) It was proposed by Cllr Sangwin and seconded by Cllr Kress that the accounts and bank reconciliation to date be approved. Passed.

h) It was proposed by Cllr Hammond and seconded by Cllr King to approve payment of internal auditors' invoice 22/689 £100. Passed

i) After discussion it was proposed by Cllr

Hammond and seconded by Cllr Haywood that the budget for financial year ending 2023 be uplifted to include capital costs of £1000 in respect of the roundabout, £1000 for two new litter bins, and £2000 for relocation of benches. Passed

j) It was agreed that the project budget for financial year ending 2023 be £4000 as item i) above.

k) Cllr King advised that she has contacted the chair of the Village Hall committee who is aware that they need to apply to the Parish Council through the small grant funding scheme if they need financial support for installation of CCTV equipment.

l) It was proposed by Cllr Berry and seconded by Cllr Haywood that two additional benches be installed near the community shop. Motion failed.

m) It was proposed by Cllr Sumpner and seconded by Cllr King that payment as per schedule 2 in respect of the clerk's salary be approved. Passed

n) It was proposed by Cllr Hammond and seconded by Cllr Haywood that this Council should continue to support the cost of the grass cutting at St Edith's church. Passed - Cllr Sumpner against. It is noted that the clerk had drawn the council's attention to the legal view of NALC on this matter.

125. Community Issues: councillors to report any relevant issues to the council deferred to next meeting as below

i) To discuss and formulate options for renewable energy installation within the conservation area

ii) To discuss setting up of a Parish Community Speed Watch Group

iii) To confirm procurement of litter bins as per last meeting

126. Correspondence: to note the correspondence received since last meeting.

a) An Email received from Newbald Parish Council was circulated- no comments

b) The Wolds Weighton Parish/Town News Release was circulated. No comments

c) An email has been received from D Lord regarding the felling of trees at Worsendale Plantation.

127. The new parish council web site is still being developed.

128. Agenda item requests for next meeting. - review of jubilee events and consultation on tree planting

129. The following Planning Applications were considered:

a) 22/01403/VAR

Proposal: Variation of Condition 7 (approved plans) of planning permission 21/00545/VAR (Variation of Condition 8 (approved plans) of

Parts of Bishop Wilton village have been included.

136. Matters Arising: update on outstanding items from previous meeting.

a) A survey possibly needs to be done on the proposed tree planting scheme, although no objections have been raised following the information on the last village newsletter. Land owners need to be written to and planting

permission obtained. Cllr Hammond to liaise with Humber Forest and organise a meeting. Cllr Rigby to discuss with Halifax Estates, and clerk to draft a formal letter to be sent to landowners, outlining scheme and requesting planting permission.

b) The Platinum Jubilee events were successful and well received by all. The weather was inclement on the Sunday and events were therefore moved to the village hall. The craft ladies bunting made a wonderful display. Only part of the £500 funding has been spent, and part has already been refunded as per receipts presented. Further receipts are now in hand. A request has been made by the craft ladies for further reimbursement of £44.00 to cover costs of materials used. It was proposed by Cllr Hammond and seconded by Cllr Kress that further payment should be made to the craft ladies only on production of receipts, and should no receipt be made available then the matter be brought before the next meeting. Passed. Cllr Kress advised that she has surplus fabric that can be made available to the craft group.

c) The playground repairs have now been done, and Cllr Sumpner has undertaken an inspection in line with the initial report. It was proposed by Cllr Sumpner and seconded by Cllr Rigby that the invoice from Image Playground for £893 + VAT be paid. Passed

137. Finance:

a) It was proposed by Cllr Rickatson and seconded by Cllr Haywood that the accounts and bank reconciliation to date be approved. Passed

b) It was proposed by Cllr Rickatson and seconded by Cllr Haywood that payment as per schedule 2, clerk's salary and expenses, be approved. Passed

c) It was proposed by Cllr Haywood and seconded by Cllr Hammond that the budgeted figure of £250 in support of the church grass cutting be paid. Passed

d) The additional payment from Jubilee Funding to craft ladies has been approved, subject to receipts being submitted. See ref 136.b

e) It was proposed by Cllr Haywood and seconded by Cllr Kress to defer approval of balance of payments from ERYC Jubilee Funding until the next meeting when the end of project report is ready for submission.

138. Community Issues:

i) The clerk gave a brief synopsis of the outcome of the rural energy feasibility study that was commissioned in 2019/20 for Thwing &

Octon Parish. Cllr Hammond agreed to put a motion forward to ERYC, to write to the secretary of state requesting more help for rural villages and conservation areas. Topic to be discussed further at future meetings.

ii) Volunteers were asked, by means of the newsletter, to come forward for the setting up of a Parish Community Speed Watch Group. No response as yet

iii) It was proposed by Cllr Hammond and seconded by Cllr Haywood that only one litter bin be procured to be sited at Poor Lands. Passed. Clerk to progress.

139. Correspondence:

- a) Market Weighton Town & Parish News was circulated - no comments
- b) Consultation on proposed Areas of Outstanding National Beauty has been circulated and responses requested.
- c) ERNLLCA Newsletter - no comments
- d) ERNLLCA invitation to Being a Good Councillor Training was circulated, but no takers
- e) ERYC email re review of Public Space Protection Orders was circulated.
- f) Email invitation to Pocklington Joint Strategic Needs Assessment Roadshow 8 July 2022 - this event has since been cancelled due to poor response

140. There is no further update on the new parish council web site

141. Agenda item requests for next meeting were out forward: Finalisation of Jubilee Funding; Bishop Wilton Community Trust;

Update from Poor Lands Trust - chair has been invited to attend the next meeting; Future hybrid meetings - procurement and cost of equipment; Halloween and Christmas event and procurement of village Christmas Tree

142. Planning Application 22/ 01308/STPLF

Proposal: Temporary use of land for the storage of soil in connection with the construction of a prison on land to the west of HM prison Full Sutton Moor Lane Full Sutton (AMENDED PLANS)

Location: Land to the west of HM Prison Full Sutton YO41 1PS; **Applicant:** Ministry of Justice for the Secretary of State for Justice; **Application Type:** Strategic - Full Planning Permission

It was advised by Cllr Hammond that this application has already been approved by ERYC, with conditions. The biggest issue had been concerns over dust, and a solid fence and tree planting is now to be installed. Benefit will be the huge reduction in lorry movements.

143. Cllr Rigby has spoken to the chair of the Poor's land Trust and it is not necessary for a member of the parish council to be a representative on the board of trustees.

144. The date of next meeting was confirmed as 25th July and the start time would be revised to 7.00pm going forward. It was proposed by Cllr Haywood and seconded by Cllr Kress that there should be no meetings in August. Passed.

145. It was proposed by Cllr Hammond and seconded by Cllr Rickatson that there should be no meeting in December. Passed
