Beck and Bells Update

By now you'll have noticed that the church clock has fallen silent again. This is because work on the bells will start soon, so the clock had to be stopped and covered

beforehand to protect it. We've been having a bit of a spring clean in the tower and we had a bat survey organised through Natural England. Although there is evidence of a few bats passing through the tower there isn't a roost in the tower or spire, which means we can go ahead without causing any disturbance.

The bellhangers plan to start the project in the week beginning 10 October. If all goes to plan they will be taking down the bells and working on them in the tower for a few days, taking the fittings back to their workshop and returning about a month later to rehang the bells. Once this is done the clock will be restarted, we hope in time for Christmas. For safety reasons access to the church might be restricted while work is going on in the church. We will put a notice on the church gates and post any updates on the Bishop Wilton Facebook page.

Sadly it isn't possible for the bells to be brought out of the tower but we're going to film the work and, all being well, we'll live-stream the second phase so that it can be seen in real time. More details to follow.

The PCC and Bishop Wilton School are working together to involve the children in lots of ways, including learning to use handbells, which we are buying through our Heritage Fund grant.

Because the work won't be done in time for Guy Fawkes' night we are thinking of having a 'ringing day' in the new year. We hope that we can establish a team of volunteers to ring the bells, either by hand or using the electronic system.

St Edith's PCC.

Bishop Wilton Heritage Weekend (8th-9th October)

The history of Bishop Wilton is the focus of our heritage weekend with the objective to raise money for St. Edith's fabric fund. Thanks to the efforts of the Churchwardens and the PCC, a successful bid was made to the Heritage Lottery fund which has enabled the cost of the weekend to be covered. We have consolidated all the research of the Bishop Wilton Local History Group which was active for 10 years in 2002-2012, and created a prestigious keepsake book of 420 A4 pages. This will be on sale during the weekend with all proceeds for the Church funds.

The weekend will include an exhibition display using the archive material of Mike Pratt (BW history group Chairman) which has been in store since his death. We will focus on 100 years of Bishop Wilton WI, Bishop Wilton Show, W L Fishers, the 1928 cricket match, old photographs of people and the village and a history group project of fitting people to houses in 1901.

At 2pm each day will be a short guided tour of the village starting at the village hall. Taking in the Archbishop's Palace, the Church gates, the old Hall, Fisher's Corner, the vicarage and Worsendale Road and back to the start point.

At 6.30pm each evening will be a film show of Bob Sefton's unique old footage of the village taken in the late 1950's, and later cine film showing the Queen's Silver Jubilee in 1977. It will be the last opportunity to view his old film footage.

Refreshments will be available and entry is free with optional donations welcome.

Update from Uganda @Bugthorpe @Sutton

Both of our schools held a Bring and Buy Sale, raising £330. Professor Katie flew out in June 2022 and used the money to buy resources locally in Kampala. With our funds, she managed to provide the school with 576 exercise books, 288 pencils, 200 pens, 144 colouring pencils, 24 pencil sharpeners, a printer for the teachers to

print assessments for the children, ink cartridges and 2000 sheets of paper for printing. We also secured 8 footballs (1 for each class and a high quality tournament ball), ball pumps and cones for goals! It is safe to say that these were really appreciated and will be well used.

We are very proud of the difference our school communities have made to the lives of others and are eagerly awaiting the return video of 'a day in the life of a Nyabyeya child' and the return questions for us to answer.

You can view our Federation video which was sent to Uganda here:

Our Charity Bin @Bugthorpe

Our new charity bin has arrived! You can fill it with all kinds of things like bric-a-brac (not just clothes!). Each tonne that is collected, earns school £200! Spread the word; apparently each bin bag you see flying through the air, releases endorphins to give you a good feeling inside!

Last days of summer

Swifts take leave without farewell,
their work is done, they must fly on.
Thistle-down that sails the breeze,
to seek a home to rest till spring.

These hills have faded in the sun,
rain will paint the colour back.
Night pulls in and darker dawn
leads the retreat to autumn's door.

Hedgerows burst with silent sparklers,
sway into the dewy hours.
Swallows know it's nearly over,
gather on the waiting wires.

Pheasants maunder empty fields,
now harvest wrapped in golden bales,
led away for leaner days,
as summer draws its close.

Choral evening in St Edith's church

Thank you to all who supported the choral evening in the church on Saturday 17th September.

The Pelham ladies choir and guest soloist Gary Starkie sang a repertoire of popular songs from various musical productions and classical hits. The evening was a great success and thoroughly enjoyed by all.

Bishop Wilton CE Primary School

It's great to be back at school and starting a new term with such an enthusiastic and hard-working group of children. We have plans for our Harvest Festival at St Edith's Church on the 26th September and as part of The World's Biggest Coffee Morning, we will be raising money for Macmillan Cancer Care on Friday 30th September.

In the previous edition of the Parish Pump, we mentioned the planned KS2 trip to London. It was a great success and a super experience for all the children involved. There was a trip on an open top bus to see the sights, a visit to The Science Museum and a visit to the theatre to see The Lion King.

Our whole school trip to the Yorkshire Wildlife Park was also a great success and we were lucky to miss the extremely hot days when the park was closed.

We enjoyed a fabulous water fun afternoon to complete the school year with both pupils and teachers getting VERY wet!

Bring your pet to school day was lots of fun with an exciting range of pets for the children to meet and talk about.

It was great to be able to enter our art work at Bishop Wilton Show and to enjoy the whole experience again this year. Bishop Wilton Primary were very excited to win the Peter Kite trophy for the most overall points, to add to our very successful summer.

Please do follow Bishop Wilton School on Facebook or Twitter @PrimaryWilton to see lots more pictures of all our exciting activities.

Queen Elizabeth II was a very special member of the Women's Institute. She was a long serving and passionate WI member, absolutely epitomizing the values and ethos of our organization. She started attending meetings at the West Newton branch near Sandringham in 1943 when she was known as Princess Elizabeth. She was a committed member of the WI for nearly 80 years, and never failed to show her support for us throughout her time as Queen. We thank her for her dedication and loyalty and for being the ultimate inspiring woman. This photo shows the Queen beaming as she cuts into the cake at the NFWI centenary in 2015.

In August we enjoyed the opportunity to chat, whilst sipping tea and devouring cake at Rachel's tea rooms in Huggate. A wonderful afternoon in the sunshine with friends.

Our August Coffee, Cake and Books morning was extremely busy. We were very pleased to welcome Pocklington and Barmby Belles and Breezers to swell the numbers even further.

Flautist Peter Harrison and presenter Julia Elliot entertained us at our September meeting. A relaxing evening exploring in words and music the fascinating worlds of Branwell Bronte and Thomas Hardy

Do you fancy finding out more about Guy Fawkes and his York connections? Well, you're very welcome to join us for an engaging talk by author Tony Morgan. October 3rd at 7:15 at Bishop Wilton Hall. November's meeting promises to be equally interesting 'Theatrical Millinery from Shakespeare to Panto,' a talk by Claire Spooner. November 7th, 7:15 at Bishop Wilton Hall.

Fleece Inn Golf Club

After the fabulous weather we enjoyed this summer and the lovely days for our outings, we saw the forecast for the 7th September: thunderstorms! heavy rain! possible localised flooding!

We drove to Hornsea fearing the worst but the afternoon couldn't have been better with hot sunshine and a gentle cooling breeze. Driving home afterwards was a totally different story with a tropical rainstorm and a spectacular thunder and lightening display. "The sun always shines on the righteous!?!?"

We started the day with our usual delicious bacon butties and tea/coffee - the draw was made and as we had 15 competitors tee'd off in 3 ball and 3 four balls.

Hornsea is a well established parkland golf course with plenty of trees copses and ponds to welcome your slightly wayward shots! Many of the fairways have the old "Landings" used for drainage by past previous farmers - many of these furrows were quite deep adding to the "interest". The very dry spell we had just experienced meant lots of bare patches on the normally lush grass.

The greens were very well watered and in good order but we found them a little slow for putting, but all in all a good test of golf - reflected in the scores - with only our winner Gerald Fenton achieving a sub par score. Our regular stalwart golfer Dave Etherington played with bloodied ear having suffered an operation 2 days before! Another of our regulars Phil Woodliffe will miss our last fixture at Malton GC as he is having knee surgery - we wish him all the best and a speedy recovery.

Now the golf results.

Main Competition

- 1st Gerald Fenton 40 pts
- 2nd Joe Moore 35 pts
- 3rd Digby Machin 34 pts
- 4th Barrie Brigham 33 pts (on countback)

Spot Prizes

Nearest the pin on par 3 holes with tee shot:
7th Hole Ian Jones; 12th Hole Charles Fenton; 17th Hole Dave Etherington

Nearest the pin with 2nd shot on par 4 11th hole: Barrie Brigham.

Many congratulations to all the winners.

Following the golf we sat down for the meal which was a delicious beef pie and trimmings. Dave Stamp then asked Bob Sefton (one of our founder members) to present the prizes in this our 25th year.

Our final outing is on Wed 5th October at a change of venue to coincide with our very first outing to Malton GC, followed by a celebration meal back at The Fleece Inn 7pm approx.

Any of our past members are very welcome to join us for the meal and celebration and remembering our founder Colin Robinson and members who have passed on!

Hoping to see as many as possible on the 5th at MALTON GC and at the FLEECE INN.

See you on the tee!

Church News From the Rectory, Worsendale Road, Bishop Wilton 01759
369974, 07888 668663 garrowbyvicar@gmail.com www.garrowbychurches.com

When the former Prime Minister, John Major, was interviewed about his recollections of our late Queen, he spoke about the way she was able to take the long view. Even when present circumstances seemed really challenging and hard to navigate she would remind him that the daffodils will still bloom in the spring. It was her way of pointing out that even in the direst of times, there is a hope that is almost woven into the very heart of who we are because it mirrors what we see in nature.

At this time of the year we can look around and see the seasons changing. The first signs of autumn seemed to come early as a result of the drought over the summer, and as I write this there is already the first chills in the air on a morning. This sense of change is mirrored in our Harvest festivals when we give thanks for the produce of the past year and those who work so hard to care for the land and the animals across our villages. It has been an especially challenging year for our farmers and Harvest is a great time to not only give thanks to God, but also to express our appreciation to all those who ensure we can have food on the table. But our Harvest celebrations come as we see the trees shed their leaves and the days shorten. The celebrations of Halloween, All Saints, All Souls and Guy Fawkes have their origins long before there was a gun powder plot. Our forebears would have had "bone fires" at this time of year and parties to use up produce that wouldn't over winter. It was a time when ancestors would have been remembered. We continue this tradition remembering those who have died in the feasts of All Souls but also those who have inspired countless people down the centuries in the feasts of All Saints. We also give thanks for the sacrifice of so many during our Remembrance Services on the 13th November. Whilst All Hallows Eve, the eve of All Saints can be fun with lots of dressing up it can also be a chance to remember that darkness does not have the last word.

Although we may have lost someone we love, that they go on in our memories and in eternity, that although we may face really difficult times there is still the light shining in the pumpkin lanterns and in our hearts as we remember our loved ones and the love they shared with us. The autumn equinox, when the darkness moves to become longer than the light is really the trigger in nature for these reflections in our own hearts but, like the Queen, we can draw strength from the fact that though the land seems to sleep it is preparing for the coming of spring, of new life and new hope, the days will lengthen again at the spring equinox and the daffodils will bloom and that no matter what challenges we face, hope and light always have the final word.

Bishop Wilton Heritage Weekend: Service at 11.15 9th October Cancelled

There is more elsewhere in this edition of the Pump but with a lot of St Edith's people being involved as volunteers for the Heritage Weekend I am cancelling the 11.15 service at Bishop Wilton so the only service in the Benefice will be the 09.15 at Bugthorpe.

Benefice Service for the Fifth Sunday 30th October St Andrew's Bugthorpe 10.00am - please note NOT 09.15

St Edith's Christmas Fayre Saturday 26th November 10.00 in the Village Hall

There are details elsewhere in the Pump but don't forget to come, enjoy seeing friends and doing some Christmas shopping whilst enjoying a cuppa.

Archbishop of York to Visit:

Date for the Diary 27th November 11.15

Kirby Underdale followed by reception in Bishop Wilton Village Hall

And on Saturday 26th November 4.00pm

“From Darkness to Light: Advent Music and Reflections”

We are delighted that Stephen Cottrell, the 98th Archbishop of York, will be visiting the Benefice on the 27th November, Advent Sunday at 11.15 in Kirby Underdale. Part of the reason for the visit is to see the Malines Window and discover the place of Garrowby in developing ecumenical relations with the RC Church. Some of you will remember the service that I led for the Malines delegation some years ago which was very special. Our worship will be enriched by the Garrowby Singers. On the evening before, **Saturday November 26th at 4.00pm in St Edith’s Bishop Wilton, the Garrowby Singers will lead us in a time of reflection as Advent begins and we look forward to Christmas “From Darkness to Light”**. This is always a very special evening and all are welcome.

Family Worship in the Benefice

We now have two “All Age” services. On the first Sunday at 10.00am at St Mary’s Skirpenbeck serving the area around Bugthorpe School and our new one on the third Sunday at 10.15 held at St Edith’s, Bishop Wilton serving the part of the parish around Bishop Wilton School. Mike and I enjoy our weekly assemblies in both schools and I am pleased we can offer two informal services a month. They are “All Age” in the sense that there is a mix of music and the talk/teaching is accessible in a way that may not always be the case on a more normal Sunday. People are very welcome at either service, but be warned that the talk will be the same at both!

Remembrance Sunday 13th November

This is always a very special day in our villages. Do feel welcome at either of our services where those who have given their lives across all five villages are remembered.

09.15 Bugthorpe - Eucharist in Church followed by Act of Remembrance at the War

Memorial outside the Institute and refreshments in the Hall

10.55 Bishop Wilton - please be in church before the 11.00 silence and we will then share in our Remembrance Service

Hatches, Matches and Dispatches

I have been struck by adverts for people offering celebrations around these important times in life and also some of the adverts for “no fuss” funerals. I just wanted to remind people to feel free to make use of our beautiful buildings which are *your* churches and can be places of celebration and reflection at these important moments of change. In the services to mark birth, marriage and death, there is a lot of scope for personal readings and individual touches to make the celebrations speak to the needs of the family at these hugely significant moments in life. If you would like to book a service or chat through what you might find helpful, do ring me at the Rectory or call round.

Sunday Broadcast Services

The services will be premiered at 10.00am on a Sunday morning and can be accessed through www.garrowbychurches.com, via the YouTube channel Linda Munt or you can have a link sent if you write to Mike K at mikekavanagh@hotmail.co.uk. The comments section on my YouTube channel is now open and we would value feedback about what people find helpful and what we might change to encourage people in their journey of faith. We know that whilst some people only do “on line” or “in church” a number of people have come to value both and find them different, but complementary ways to worship. We are still learning how best to make the most of these opportunities.

Garrowby Churches Meditation Group in St Edith’s Bishop Wilton 7.00pm

The next meetings will be on Monday October 31st and Monday 28th November. They last for about 40 minutes with an introduction, time of silence and closing reflection. The chance to be still can be helpful and everyone is very welcome. I am sorry I didn’t spot that our August meeting clashed with the Bank Holiday but I hear that people enjoyed a peaceful evening!

NEW VOLUNTEERS - YOUR SHOP NEEDS YOU!

The biggest single challenge for the Shop is having enough volunteers to continue opening our current hours. If anything this has become more challenging in recent months, so if you are able to spend a little (or a lot of!) time volunteering in the Shop, we would be delighted to hear from you. Please get in touch with Emma or Sue on 01759 369774 or pop in for a chat. It's a great way to get to know people whilst supporting the local community. We provide training and offer all current volunteers 5% off their spending in the Shop and entry to a bimonthly prize draw. Some of our volunteers also admit to it being quite fun!

If we are unable to maintain sufficient levels of volunteering, we will have to look at alternatives to be able to keep the Shop open. We are working to keep our prices as low as possible in these challenging times, but this combined with the huge increase in electricity costs means that the funds we have available to pay for extra staff are now more limited.

SAVE THE DATE.

Our 3rd Annual Members' Meeting will be held on Monday 21st November at 7.30pm in the Village Hall. Refreshments will be provided. It's the main opportunity a year for the Management Committee to say how BW Shop & Cafe is doing and to ask for ideas and feedback on how we should develop it further, so we would love as many members to attend as possible. If you're not yet a member, then anyone aged 16 or over can join at any time by purchasing a share for just £10. It's an ideal way to own an important part of your community! Application forms are available in the Shop, at the AMM or at www.bwcommunityshop.co.uk.

WINNERS VOLUNTEER PRIZE DRAW JULY/AUGUST

- 1st Prize: Nina Radkevich
£40 BWCS Vouchers
- 2nd Prize: Tracey Land
£20 BWCS Vouchers

Thank you for your ongoing commitment to the Shop and community!

Last month we put out a request for someone to make some cushion covers for our outside bench. A really big thank you to Sandie Clark who accepted the challenge and has made some fabulous new covers for us!

We're also looking for someone to keep an eye on coal and wood stocks at the shop over the colder seasons and replenish from the storage in the village as necessary. If you'd like to help out in this way please contact Sue in the Shop for more information.

Some lucky person in the next few days will be our 100,000th customer – could it be you?

See you all in the Shop soon!

Rainfall

Rainfall report for July and August 2022.

July rainfall 36.1mm Average rainfall July (2003-2022) Bishop Wilton 63.2mm

August rainfall 15.6mm Average rainfall August (2003-2022) Bishop Wilton 77.3mm

Rainfall for 2022 Jan-August 307mm. Average rainfall Jan-August (2003-2022) Bishop Wilton 472mm

July was a very much drier month than could be expected, with 36mm of rain. This is the second driest July I have recorded after 2013 when 23.5mm fell, and is just under 60% than the average.

August was the driest August I have recorded in the 20 years that I have been taking measurements with only 15.6mm of rain which is only 20% of the average August rainfall. The previous driest August was in 2003 when 18mm fell.

The August figure also provides us with a total of 76.7mm for the summer months of June, July and August. This is much less than an average summer of 206mm and is the driest summer that I have recorded. The previous driest summer was in 2018 when 84mm fell.

Looking at the rainfall totals so far for 2022 this has been the driest January to August period that I have recorded in my 20 years of measurements. We have received 307mm (12.25") precipitation compared to an average of 472mm (19"). The wettest comparable time period was 620mm (nearly 25") in 2014.

The chair requested that item 10 on the agenda be moved forward and heard now. Agreed.

The representative from The Poor Lands Trust gave a brief history of the trust. The trust committee is traditionally made up of 2 members of the PCC, and 2 members of the PC. The charity was formed in 1726 after land was gifted to the village. 3 fields are in countryside stewardship one of which has SSSI status; 23.17 acres in total. The charity supports primarily widows and widowers in the parish and last year gifted £60 per head to 30 parishioners. For future reference the Trust will present an annual report at the Councils AGM.

Cllr Rigby thanked the representative for his time and information, and for the charities work and efforts in managing the land, on behalf of, and in support of the parish.

pm Meeting reopened

148. It was proposed by Cllr Kress and seconded by Cllr Sumpner that the minutes of the meeting held on the 27th June 2022 be accepted as a correct record. Passed.

149. Ward Councillor's Report.

Cllr Rudd advised that there are some changes

being made within the ERYC with staff, recruitment and pay increases. The Council continues to work on flooding issues within the authority and is working on reducing carbon emissions and implementing their climate change policies by installing solar voltaic panels on council buildings and a solar farm at Bridlington South Shore, along with installation of electric vehicle charging points in public car parks. Free parking will be available on Saturdays and Sundays during the month of December and on Remembrance Sunday at all County owned car parks, this concession to be implemented for 3 years. ERYC are also conducting another review on communications and are encouraging feedback; closing date is the 2nd September. Cllr Hammond advised that defects on the road surface at Park Lane had been reported to ERYC. The issues with prison transport travelling through Gowthorpe and Youlthorpe, due to the theft of BT cabling along the A166, has been resolved, and all vehicles are now being tracked by the MOJ and are advised to travel via Pocklington. Residents should continue to report any further issues or sightings of lorries passing through their villages.

ERYC have now offered a wheelie litter bin at Poor Lands as an alternative to a standard bin. Cllr Hammond has contacted Humber Forest re the tree planting along Braygate. Now need to consult further with Highways due to the road being used for agricultural traffic. ERYC will advise on best way of consulting with landowners.

The sign at the crossroads with Belthorpe Lane is broken - Cllr Hammond to report to Public Rights of Way.

150. Matters Arising: update on outstanding items from previous meeting.

The meeting was temporarily suspended at 8.25 pm and opened to the floor for the view of residents who advised that such an arrangement would potentially improve public engagement, allowing members of the public to login from home.

Meeting reconvened 8.27pm.

It was noted that members are summonsed to a council meeting, and current legislation forbade them from any voting rights if they did not physically attend a meeting. The matter to be discussed further at the September meeting when costings have been obtained.

Present: Councillors: D J Pearson - Chair, Lady Halifax, F Goodhart, S W Huffington, D J Lord - Clerk

In attendance: Ward Councillor D N Rudd

1. **Apologies for Absence** were received from R Crow, D Birks, K Robinson and T Atkinson.

2. **Minutes of the Meeting** held on Monday 23 May 2022 were approved and signed as a true record by the Chair and Clerk.

3. **Declarations of Interest** - The Parish Councils (Model Code of Conduct) Order 2001. There were no declarations of interest.

4. **Matters Arising** from the last Meeting:

a) Bugthorpe telephone box - the Clerk reported that the telephone box is currently being repaired in the Joiners Shop at Garrowby Sawyard.

b) Dog fouling in Bugthorpe & Kirby Underdale - the Clerk said that he had not received any reports of dog fouling in Bugthorpe from Councillor Crow. The Chair also confirmed that he had not received any reports of incidents in Kirby Underdale.

c) Potholes - the Clerk informed Councillors that the jet patching machine had recently completed repairs on all the potholes throughout both parishes. The extremely poor condition of the Main Street through Kirby Underdale and Painsthorpe Hill were noted by the Area Highways Engineer, who confirmed that he would promote this as a capital scheme for East Yorkshire Borough Council to undertake in the 2023-24 financial year. The discussion was then widened to discuss the issue of the large number of bursts on the water main between Bugthorpe and Kirby Underdale and the detrimental effect that the resulting repairs are having on the road surface.

The significant number of repairs indicate that the water main is in need of replacement and the Clerk agreed to contact Yorkshire Water to establish whether a scheme for replacement is planned.

d) Jubilee Pasture - in Councillor Robinson's absence the Chair and Clerk reported that a significant amount of work has been carried out on Jubilee Pasture including the excavation of the pond, the spreading of wild grass/ flower seed and the scattering of green hay from Martin Stringer's wild flower meadow in Nunburnholme. Full details of the works carried out have been put onto the Bugthorpe Village website by Councillor Robinson.

<https://www.bugthorpevillage.co.uk/jubileepasture>

The Chair informed Councillors that it is hoped to arrange a public meeting at Kirby Underdale Village Hall probably in October or November, at which the Woodmeadow Trust will be invited to speak. The information board and bench will be in situ by the spring.

e) Pedestrian bridge across beck at Low Hall Bugthorpe - Councillor Rudd agreed to chase this up again to establish which engineer will be dealing with it and the timing of the work.

f) Kirby Underdale Village Hall refurbishment - the Clerk informed Councillors that a refurbishment scheme will be undertaken over the next few months jointly funded by Halifax Estates and the Village Hall Committee. A pop up cafe has been set up by the villagers on the last Saturday of each month during the summer to raise funds for the refurbishment.

g) Defibrillator signs - the installation of these was accepted as a matter of report.

5. Other Matters.

a) Defibrillator and Basic Life Support training - the Chair reported that approximately 20 parishioners attended the two training sessions in Bugthorpe and Kirby Underdale. The sessions

were useful and the Ambulance Service was happy with the level of attendance.

b) A cheque in the sum of £95.88 was signed by the Chair and Clerk to reimburse Halifax Estates for the replacement pads purchased for the defibrillators. The Clerk advised that both defibrillators have been recalled for a software update and will be away for three days commencing on 27 September 2022.

c) Village Walkabout 9 August 2022 - the Clerk reported that he conducted the walkabout with three representatives of East Riding of Yorkshire Council. A schedule of the work to be undertaken has not yet been provided by ERYC. The extremely poor condition of the Main Street and the Church hill was noted, hopefully it will be included on the capital scheme for resurfacing together with Painsthorpe Hill (see 4c above).

d) Broadband - The Clerk said that although BT Openreach have said that the properties not connected to fibre should hopefully be eligible for the Future Fibre Scheme roll out, there is absolutely no guarantee and the timing is also unknown. Councillors agreed that this is very unsatisfactory situation. The Chair and Clerk are to arrange a meeting with Rebecca Oddy of Halifax Estates to discuss a way forward.

e) Retrospective approval was given for the following Jubilee Pasture expenses (Lottery grant of £9,984 in the Parish Council account). Friends of the Lower Derwent Valley Conservation Group - Wild grass and flower seed £150. J M Stringer - Green hay £45.

f) Retrospective approval was given for the following Platinum Jubilee expenses (Jubilee fund payment of £392.81 in Parish Council account).

Bugthorpe War Memorial Institute £292.81.
Make n Take Ceramics (Mugs £100).

6. Correspondence - No comments made.

7. Any Other Business

Councillor Lady Halifax mentioned the 30mph signs next to Bugthorpe Primary School entrance. She expressed her opinion that these should be further away from the school entrance to ensure that drivers slowed down well before the school. She also questioned why it was not a 20mph limit close to the school as it is in other villages. Councillor Rudd confirmed that a 20mph speed limits are not enforceable, but the Councillors agreed that the signs are a good deterrent. The Clerk agreed to contact ERYC about moving the signs further away from the school entrance and also about the possibility of 20mph signs. If ERYC were unwilling to impose a

20mph speed limit past the school, the Chair will speak to Mr Holtby at Bugthorpe School about the possibility of the pupils designing unofficial signs to display. The Clerk agreed to contact ERYC to arrange a meeting to discuss the speed limit and signs in the vicinity of the school.

b) The issue of tractors speeding through the village was also discussed and the Clerk confirmed that the most recent incident had been addressed with the farm tenant in the village. The situation is to be monitored and dealt with on a case by case basis.

c) Councillor Rudd confirmed that the next Western Area Liaison Meeting is on the 1 November and the Police and Crime Commissioner will be present.

d) Councillor Rudd advised that Covid booster vaccinations are being carried out in the East Riding for care home staff and residents. With effect from 12 September, residents aged 75 and over will be eligible for boosters.

e) Councillor Rudd advised that ERYC have arranged a compost giveaway at 4pm on 12 September at Wolds Gliding Club in Pocklington.

f) Councillor Huffington mentioned that the road surface on Barf Hill leading down to the A166 has subsided. The Clerk agreed to inspect this and then report it to the ERYC Highways Department.
