Pocklington Area Open Studios

Saturday 7th & Sunday 8th October 2023

Preparations are well underway for Pocklington Area Open Studios which is taking place on the weekend of 7th & 8th October. 28 artists & makers will be taking part at 14 different locations within 10 miles of Pocklington including some in the Parish Pump area.

Ceramics, textiles, photography, jewellery, painting, printmaking & mixed media will be on display. This Open Studios weekend is a great opportunity to meet local artists & makers, see their latest work and learn about their creative processes. Venues will be open 10 - 5 both days and will be clearly signed. Some venues will be doing demonstrations & some will also be offering refreshments. Full details can be found on the website www.pocklingtonareaopenstudios.co.uk.

Brochures will be available from the venues & at other locations in the area. More information can also be found on Facebook - [pockareaopenstudios](https://www.facebook.com/pockareaopenstudios) and Instagram - [@pocklingtonareaopenstudios](https://www.instagram.com/pocklingtonareaopenstudios)

Bugthorpe CE Primary School

FOLLOW YOUR PATHWAY AND GROW WITH CONFIDENCE

New EYFS Area @Bugthorpe

The children are thriving in our new space! We have further plans to develop our Year 1 and 2 outdoor area too, this coming year. Exciting times at Bugthorpe.

We still have places available in all of our classes; don't hesitate to get in touch if you want to board our bus ☺ [01759368247](tel:01759368247) / bugthorpe@eastriding.gov.uk

Bugthorpe C of E Primary School

OPEN MORNING

Come and see our loving school family

on **WEDNESDAY 4th**

OCTOBER 2023

9:10 – 10:30am

Register your place via:

A Wilton Childhood Part One Norman Foster

As a typical Yorkshireman, my Dad always bemoaned the fact that I was born in January 1948 instead of later that year after the NHS had started. That would have saved my hard-pressed parents the fees for my birth. My timing has never been particularly good.

My Dad, Stan Foster, was from generations of families who had lived in, or local to, Bishop Wilton. After he met my Mum they lived in Leeds until, in 1946, the industrial Leeds smogs forced them back to Bishop Wilton due to my Dad's weak chest.

They initially lived in what were delightfully known as the Black Cottages down Back Lane. This had been a bit of a culture shock for my Mum, used to in-house facilities. In this bed-bug infested cottage there was just an outside earth loo and a shared outside water tap.

I have no recollection of Black Cottages but I do remember our brand-new council house at 11, Vale Crescent. Unfortunately, in spite of Mum supplementing my Dad's meagre wage as a labourer for Lord Halifax by cleaning jobs, they couldn't afford the rent. So, we moved down into the village to 83, Park View, owned by a lovely old lady who I always called Granny Boyes.

This was great for me as it was only yards from the school, meaning that I could delay leaving until the last minute. The head of the school was a wonderful Welshman called Ellis Owen. He was a great motivator and I remember lots of interesting lessons, particularly on history and literature.

As children we all played together. Sure, there was a bit of rivalry between the Crescent lads and the village crew but it was never serious and we would go off for the whole day with a pack-up lunch, making the most of the ability to access hundreds of acres of the Garrowby Estate. We played Fox-Off where one group would try and track-down another or Arrow Chase where one person would set an obscure trail to follow. Idyllic.

In the 1950s and early '60s we used to have real winters and Bishop Wilton's position and layout is tailor-made for brilliant sledging. As young

children we stayed in the village using the slopes of the banks down to the beck. As there were few cars then we also used the road hill from near the school down to the drive leading to what was

The Young Norm

the Sissons' farm. This made it extremely dangerous to walk on and eventually someone would encourage the roadman, Sam, to put grit on. I always had the impression that he did it reluctantly, not wanting to spoil our fun.

Not to be beaten, we would graduate to the top of Worsendale Hill, "Wossy", until after a couple of days our run would be gritted.

Our most spectacular run was what we christened the Cresta. We started at the top of the hill behind Beechwood, then the home of Rt Hon Richard Wood, and travelled the length of the fence before turning down towards the beck. I reckon that whole track must have approached a quarter-mile in length.

We had a real mix of sledges. I remember that the Seftons always seemed to have the fastest ones, a small luge-like one and a really classy wooden job. Mine was one made by Hubert, the blacksmith who worked for Fishers. It was pretty heavy and took a bit to get going and even more effort to stop it.

Some children had really good home-made constructions. I remember a real barge-like wooden sledge made by John Cook to take his whole family. The problem with that one was that with several Cooks aboard it was nearly impossible to steer and I remember one spectacular pile-up where they ploughed into a tree. No one was hurt.

Bishop Wilton Table Tennis Club

We're an established PremierClub of Table Tennis England (TTE). Apart from club nights each Wednesday evening, we also play competitively against other clubs. Three times a week I run professional coaching sessions. To deal with additional demands of joining Ryedale Table Tennis League we needed experience. Experienced committee members able to work as a team to the benefit of all, capable of making decisions to deal with increased financial challenges, including opening a club bank account. To achieve this, I took on the role of chairman and Kevin Prime was appointed treasurer. Kevin and I have a good knowledge of the game, playing to a high standard. We have coaching qualifications and many years of experience running sports clubs. To be eligible as a PremierClub of TTE the club has to meet the criteria, including having a qualified TTE coach and safeguarding officer. No one is more qualified in safeguarding than our third committee member Caroline Fuller whom many of you will know as a volunteer of the community shop and as a practice nurse at Pocklington Group Practice. We set a target of opening a bank account in the club's name and owning all our own equipment ASAP, including three good quality ITTF approved table tennis tables. We're succeeding in meeting targets. Five days after Kevin's appointment, the bank account was open, and instead of borrowing three tables we now own two. I'm working hard on bringing in a third. We've put fund raising initiatives in place. Profits earned through coaching sessions are donated to the club and I've introduced easyfundraising where members raise donations through online shopping. As a result we've already raised hundreds of pounds. Kevin has reorganised membership categories so members playing the most pay the most whilst juniors pay reduced rates. And we've introduced a membership joining fee. Members meet for fun on Wednesday evenings and those wishing to play competitively can put themselves forward to be considered for selection. Membership numbers are above expectation and growing,

so we may add a second session on Wednesdays.

In August we were the guests of Amotherby TTC. Fourteen travelled from Bishop Wilton and it was a fabulous evening. In December we're doing something similar with Wilberfoss TTC. We also enjoyed a summer BBQ facing challenging weather, but with gazebo's, music, good food and company everyone had a great time. I was delighted to present Junior Member Thomas Leonard (pictured) with a trophy and prize for winning one of our tournaments. We encourage and support junior members, helping them to develop as players and we provide opportunities for them to play competitively. In preparation for the beginning of the table tennis season, the BW TT team has played seven friendlies, W4 D2 L1. Outstanding results against experienced league teams. We still have work to do, but my personal ambition when forming the club has been achieved. *'BW TT Club is available to everyone. There are no minimum standards. The very nature of table tennis allows inclusive participation. All ages, genders and abilities are now able to access sport in our community through Bishop Wilton Table Tennis Club.'*

If your thinking of joining us, pop into the village hall on a Wednesday evening, drop me an email or request a brochure. I'll be delighted to hear from you.

Anthony Fuller, Chairman of BW TT Club & Table Tennis England Coach

anthony@bwtt.uk bishopwilton.ttclubs.co.uk

THE BISHOP WILTON COMMUNITY SHOP & CAFE UPDATE

At the end of August we said goodbye to Sue Dixon our manager for three years. Sue has been a wonderful asset to the Shop and will be greatly missed. Shop Committee chair Colin Pollock thanked her for all her work and presented flowers and a Fenwick gift voucher. We wish her the very best for the future!

Our new manager Anna and assistant manager Emily have now joined the shop and are settling into their new roles. Do say hello to them next time you're in the Shop!

We are currently very short of volunteers to serve customers. If you would be interested in joining our merry group of volunteers keeping our community shop going, or haven't done a shift for a while and would like to get going again, give us a shout. Full training/ refresher will be provided, you won't be alone in the shop and our shifts are usually 2.5 hours. Please drop into the shop or email us if you would like to find out more.

GIVING THE SUPERMARKETS A RUN FOR THEIR MONEY!

Over the last 2 years average supermarket prices have risen by 26% (source Which?). Our sales prices, measured as closely as we can in the same way, are up only 15% over the same period. We have achieved this by deliberately not passing on all the cost increases we have incurred and through the great support of our local suppliers. This means many of our products are now the same price as the major supermarkets and increasingly a lot cheaper. Give us a try if you haven't been in recently and enjoy all the benefits of shopping local!

In addition, we now have a much wider range of groceries on promotion with JISP Scan and Save. Apples, bottled water, mayonnaise, tomato soup, Hovis Best of Both bread are just a few of the 37 products with large discounts available until 10th of October.

VOLUNTEER NEWS

The Volunteer prize draw was presented to Jan Danby 1st prize £40 shop gift vouchers and 2nd prize Louise Butcher £20 vouchers. Thanks to them for their commitment!

SAVE THE DATE!

Our 4th Annual Members' Meeting will be held in Bishop Wilton Village Hall on Thursday 23rd November at 7.30pm. If you're not yet a member of the Shop why not consider joining? You can buy a life-time share for just £10. Ask for an application form in the Shop!

Rainfall

Rainfall report for July and August 2023.

July rainfall 166mm Average rainfall July (2003-2023) Bishop Wilton 68.1mm

August rainfall 76 mm Average rainfall August (2003-2023) Bishop Wilton 77.2mm

Rainfall for 2023 Jan-August 543.5mm. Average rainfall Jan-August (2003-2023) 530.3mm

The year of extremes seems to continue with this July being the wettest July I have recorded in 20 years. The 166mm (6.5") was more than double the 20 year average for the month and 42mm greater than the previous wettest July in 2008. It was the third wettest month of the 240 months worth of data after June 2007 (179.5mm) and August 2008 (178.5mm).

August was average with 76mm (3") of precipitation.

The August figure also provides us with a total of 289mm for the summer months of June, July and August. This is much more (3") than an average summer of 210mm.

According to my measurements this summer has been the fourth wettest summer of the last 20 years after 2007, 2008 and 2012 when I measured 318mm, 376mm and 299mm respectively.

Looking at the rainfall totals so far for 2023 we have had a basically average amount of rainfall with the unusually high and unusually low monthly totals balancing out the total amount.

Ian Jones ialima2@gmail.com

Ridge and furrow

Swallows desert
to seek another summer
and I am jilted,

to a pleat stitched
through stripped earth
in the fall's crimple,

as the days compress
to fit the remnants of
concertinaed light.

Caught in a trough
under pressure,
the highs and lows
beyond control
that leave me fallow

trapped beneath,
I'm grounded in exile,
buried deep
till the world stirs again.

Ruth Mardall

CAN WE SUPPORT YOUR COMMUNITY PROJECT?

Large groups, charities, small groups and individuals can now apply for funding for projects to benefit the residents of the Parish of Bishop Wilton.

The maximum amount of grant awarded will be £1500.00.

Our Grant giving meetings will be on the 1st March and the 1st September each year. Applications should be submitted to us by the first day of the preceding month.

If you have any questions or require an application form, please email the Chair, Martin Butcher:

butchermartin55@gmail.com

**BISHOP WILTON
COMMUNITY TRUST**
Grant Funding Charity

Grants will be considered for:

- The advancement of education
- The advancement of the arts, culture, heritage or science
- The advancement of amateur sport
- The advancement of environmental protection or improvement
- Any other charitable purpose agreed by the Trustees.

Bishop Wilton Hall

The month of August is normally a quiet one at the hall with many of our regular users being on holiday.

That said there are still things going on which are worthy of a mention.

The toddler group which meets on a Monday morning have continued throughout the school holidays providing a useful activity at a time when many facilities for youngsters are closed. Many families have been seen using the swings and slides on the playing fields, others turning up for a kickabout on the MUGA, or shooting some hoops on the basketball court.

Maintenance. ‘There is always a job to do at the Hall.’ New fencing has been installed at the entrance to the hall car park which has improved the appearance from Worsendale Road. There is a little more to do but we will get there in the end.

Dave and Trevor Lee have helped to sort out a drainage problem on the playing field. We will no longer have a “boggy patch” which the grass cutting team will need to avoid.

Two new stiles have been installed along the fence to Andrew Hutchinson’s field, and a third existing one has been repaired. The stiles do not provide a right of way but are there merely to allow balls to be retrieved more easily.

New cricket practice nets have been installed thanks to a donation to the Cricket Club from James Goodhart.

A big thank you to the Gardening Club volunteers who recently tidied up our shrubs and borders.

An isolation switch on the Solar Panel system had to be replaced so the system was down for almost 3 weeks. It is back up and running now, and by the time you read this the system will have generated over one thousand kWh of electricity and over one thousand kg of CO2 reduced.

Finance. In our last article we outlined the

financial reality that, like everyone else, the Hall is not immune to the rise in inflation. The ONS (office for National Statistics) puts the inflation figure at 22.54% since 2021 when Hall hire charges were last revised.

The Trustees have unanimously agreed that the hire charges will go up from 1st January 2024. However, to increase the hire charges by the rate of inflation was deemed to be a nonstarter and would adversely affect all our users. Work is currently underway to develop new hire charges which are affordable.

To keep any price increase to a minimum we have already undertaken a few of the following

points and are striving to maintain the Hall so it can continue to be an asset that can be enjoyed by the whole community:

- Use third party funding to install solar panels to reduce energy costs at the hall.
- Install digital thermostats to make the heating of the hall more efficient.

- Work to attract new users to the hall, including businesses and organizations.
- Work with East Riding Council to find ways to support existing users.
- Work with existing users to explore ways in which they can increase participation.
- Work with East Riding Council to explore ways in which the hall can support the Activity, education, and Health outreach programmes.

We would also like to thank the Halifax Charitable Trust for making an unsolicited annual donation to the Hall.

And Last but not least.....A big thank you for all of those who turned out to wish Steve Swire a happy 76th birthday. As you know, Steve is not well. Going back to 2006 and before, Steve was the driving force behind the creation of the Bishop Wilton Hall and Playing Fields Association and building the new Hall which opened in 2010. The result is testament to his selfless dogged determination, and I am sure you will join us in thanking him and wishing him all the best.

Beck and Bells

The Beck and Bells project has come to an end, but there is plenty to remember it by: *A Local History of Bishop Wilton* is still on sale in the community shop and the bells are ringing out loud and clear once again.

If you haven't been into St Edith's to see the display, please go and look! There is a screen showing films of the bells work, readings of poetry by Ruth Bellas, an interview with artist Judith Pollock about her work on the beck, and a film by Sam English showing all the faces of St Edith's church. There is also an electronic journal of the project, narrated by Mike Kavanagh. While you're there take note of the beautiful oak cupboard made by Peter Rex and stained, waxed and fitted by Mark Danby: this covers the electronic unit for the bells.

All the films apart from the journal can also be seen on the Garrowby Churches website: <http://www.garrowbychurches.com/beck-and-bells.html>

If you are interested in ringing the bells occasionally we'd be delighted to have you as a volunteer. Look out for news of the next 'ringing day' or contact Susan on 01759 368445 or frost.susan@gmail.com

Reminiscing: if you are interested in recording your memories or writing an article for the Parish Pump about days gone by, please contact Susan or the Parish Pump editor.

Finally, we need to thank everyone who has worked so hard to make the project a success. They are far too many to name individually, but if you took part in any way, as a volunteer or participant, thank you so much from St Edith's PCC. We hope everyone is enjoying the restored sounds of the clock and the church bells, which have meant so much to many generations of people living in and around Bishop Wilton.

Advent Challenge 2023!

Are you up for the challenge of superseding the success of last year's Starry Starry Night Christmas event that lit up our picturesque village?

I hope so as our strong community spirit certainly shone through last year with wonderful stars appearing everywhere!

Anyone in the village can take part, both seasoned window/garden creators and first timers alike creating a festive trail throughout the village.

Participants can choose what they decorate and their own light-up date. In the past, designs have included traditional and modern festive scenes, quirky characters and there has always been a good sprinkling of festive humour!

If you'd like to take part just put your decorations up at any point throughout December and keep up until 12th Night if possible.

Any queries please contact Anne Sumpner 368617, Sandie Clark 368642 or Ashlea North 07712514908

Fleece Inn Golf Club

The sun shone brightly for our outing to Hessle GC one of our favourites. It shone particularly brightly on the Fenton family who between them won 6 of the 9 prizes including Luke winning the main competition. They accepted the inevitable ribbing with grace and have decided to continue their accounting business and not turn golf pros!!! However well played all. It won't have escaped the notice of our handicap adjudicator! Our host for the day Col Pollock welcomed the competitors (thanks Col) and announced the draw for partners and order of play.

After enjoying our bacon butties on the club house balcon we teed off in near perfect conditions; the fairways were well cut and remarkably green considering the recent hot dry spell.

The greens were also well presented in good order and are notorious for their misleading impression of slopes and falls which are often optical illusions very well designed - as though the game isn't tough enough anyway! Hessle is a beautiful parkland course with established trees and copses and ponds strategically placed - one with a fountain - and the infamous 16th hole, a par three hole with a large pond immediately in front of the green, meaning you must strike your ball from the tee, carry the ball over 150 yds of fairway and then the pond, landing on the green - not for the faint hearted. Many, including the writer, purposely land the ball short of the green and then chip the ball over the pond onto the green hoping for a single put for a par, or two puts for a bogey one over par - that's the theory!!

It was a very hot day and most of we mortals were flagging by the time we walked off the 18th green, but will not complain facing many winter cold and wet days and nights just around the corner!

Now the important results:

Main Competition

1st Luke Fenton 46 pts
2nd Charles Fenton 37 pts
3rd Col Pollock 36pts
4th Keith Rennison 35 pts

Spot Prizes

Nearest the pin on par three holes

2nd Hole Ian Jones

8th Hole Gerald Fenton

11th Hole Luke Fenton

16th Hole Gerald Fenton

Nearest the pin in 2 shots on par 4

12th Hole Luke Fenton

Well played the Fentons, particularly Luke who played 10 shots below his handicap!!

We next enjoyed huge fish and chips on the balcony and organiser Dave Stamp and host Col Pollock presented the prizes.

Our final outing of the season is to Cave Castle GC on Wed 4th October meet 12.30, where the meal and prize giving will take place as unfortunately the Fleece is unavailable.

Many thanks to all for your continued support.

See you on the tee in May 2024

Bob Sefton

The advertisement for Bugthorpe C of E Primary School features a colorful, multi-colored striped border at the top. Below this, there is a photograph of the school building and a smaller photo of a young child. The school's name is prominently displayed in blue text. The ad lists services offered, including nursery and wraparound care, and provides contact information such as a phone number and website. A key message, 'FOLLOW YOUR PATHWAY AND GROW WITH CONFIDENCE', is highlighted in a blue box. The bottom section of the ad is titled 'NURSERY FOR 3+' and lists several bullet points detailing the school's offerings, such as free 30-hour provision, wrap-around care with breakfast and afterschool clubs, and weekly forest schools sessions.

Bugthorpe C of E Primary School

We offer:
NURSERY
WRAPAROUND CARE

FOLLOW YOUR PATHWAY AND GROW WITH CONFIDENCE

01759 368247 www.bugthorpeprimary.org.uk

NURSERY FOR 3+

- FREE 30 hours' provision for everyone, regardless of income or funding entitlement. (Additional cost of £4 for lunch session, which includes a hot meal)
- Wrap around care -
 - Breakfast Club is available 7:45am until 9am
 - Afterschool Club is available 3:30-5:30pm
- Weekly Forest Schools sessions with our Environmental Tutor
- Teacher-led provision

Bishop Wilton CE Primary School

It has been a fabulous start to the new term with some glorious weather to enjoy and we'd like to welcome our new starters to Bishop Wilton Primary School. Already we have enjoyed our first welly walk, visiting Goodhart Wood and making repairs to the dens.

KS1 have been excited to develop their skills through our topic work on expressive painting.

KS2 are learning to play the pBone (a plastic trombone) as part of the music curriculum. They started by using a pBuzz and will soon be developing their skills and musical knowledge.

Our new School Council has been planning and organising our Macmillan Big Coffee Morning to raise money for Macmillan Cancer Support in the Village Hall on the 29 September.

Other Autumn term plans include our Harvest Festival in St Edith's Church on Friday 6 October where everyone is welcome and a KS2 school trip to the Yorvik Centre in York to support their topic work on Vikings this term.

Our pop in and play sessions have started again and everyone with a baby or toddler is welcome to join us on Wednesday afternoons during term time, for as much of the session as they would like. There is time to enjoy a chat and a cuppa while children can explore and play in our exciting indoor and outdoor areas. Just come along and join us in our happy and friendly setting, between 1.15 and 2.45pm. Please do follow Bishop Wilton School on Facebook or Twitter @PrimaryWilton to see lots more pictures of all our exciting activities.

Mrs Jean Loudon, Senior Teacher.

Linda writes:

I am very lucky to have been granted a Sabbatical by the Bishop which means I shall be either away or keeping a low profile from Monday October 2nd and I will be back on duty on Wednesday November 15th. You will see below that there are very few changes to the pattern of services and I am grateful to Canons Val Hewetson and Rodney Nicholson for their help. I have also encouraged Mike to take some time for reflection during this time though he will be available during this time to cover any funerals or other emergencies and can be contacted on the Vicarage number.

As you can imagine, although my "job" is part time, being a priest is not, rather it is 24/7/365 which is why the church sets aside some time for study and reflection so that it is possible to come at preaching and teaching afresh.

The idea of "sabbatical" is actually built in to the creation story - God rested on the 7th day - and it is one of the 10 Commandments - to keep the Sabbath. Often this has been interpreted in negative terms - don't go shopping, don't do the washing, don't....But actually there is great wisdom in having a time each day, each week and maybe through holidays each year to "take time" and live according to a different rhythm. A culture that seems to praise busyness and speed seems to have created huge numbers of people suffering from anxiety and depression because they can never unwind and take time.

Whilst I know myself to be very lucky to have this time, I would encourage all of you to look at how you can build a "sabbatical" into the rhythm of your life. It does us good at every level of our being and is not at all being lazy. It is honouring ourselves and those to whom we are close as tuning into ourselves and giving ourselves space actually gives us the capacity to really be there for others. If we are always thinking about the next thing on our to do list then we can't

really listen to a friend as their words are drowned out by the constant chatter inside our own heads.

Changes to Services as a result of my sabbatical: The main change is that there will be no Broadcast Services from Sunday 8th October and they will restart on Remembrance Sunday, 12th November. The service will be premiered at 10.00am may be accessed through www.garrowbychurches.com, via the YouTube channel Linda Munt or you can have a link sent if you write to Mike K at mikekavanagh@hotmail.co.uk.

Other changes are:

15th October: NO 4.00pm Service at Full Sutton but the Benefice Service will take place there on 29th October: 10.30. Please do support Canon Val who is kindly taking this service and the congregation at St Mary's

5th November: NO 08.00am Service at Bishop Wilton
Love Linda x

Garrowby Benefice Harvest Services

Come and celebrate the hard work of our local farmers:

Friday 29th September 19.00 Kirby Underdale **Harvest Supper** in the Village Hall - for tickets contact me or Eileen Fenton

Sunday 1st October

10.00 Skirpenbeck - All Age Harvest for All
11.15 Kirby Underdale - Harvest Eucharist

Sunday 8th October

09.15 Bugthorpe - Harvest Eucharist

All will be followed by refreshments. Look out for posters and details in the weekly email.

Family Worship in the Benefice

We now have two "All Age" services. On the first Sunday at 10.00am at St Mary's Skirpenbeck serving the area around Bugthorpe School and on the fourth Sunday at 10.15 held at St Edith's, Bishop Wilton

serving the part of the parish around Bishop Wilton School. Mike and I enjoy our weekly assemblies in both schools and I am pleased we can offer two informal services a month. They are "All Age" in the sense that there is a mix of music and the talk/teaching is accessible in a way that may not always be the case on a more normal Sunday.

Remembrance Sunday 12th November

This is always a very special day in our villages. Do feel welcome at either of our services where those who have given their lives across all five villages are remembered. 09.15 Bugthorpe - Eucharist in Church followed by Act of Remembrance at the War Memorial outside the Institute and refreshments in the Hall

10.55 Bishop Wilton - please be in church before the 11.00 silence and we will then share in our Remembrance Service

St Edith's Christmas Bazaar Saturday 25th November 10.00 in the Village Hall

There are details elsewhere in the Pump but don't forget to come, enjoy seeing friends and doing some Christmas shopping whilst enjoying a cuppa.

Advent Sunday: 3rd December as well as the normal services for a first Sunday we have

3.00pm "From Darkness to Light: Advent Music and Reflections"

Those of you who have been a part of this service in the past will know how special and reflective it is. Advent can so easily be a time of hectic preparations for Christmas but "From Darkness to Light" reminds us that it can be an opportunity to reflect on our own lives as the nights lengthen and the winter approaches in anticipation of the coming of the light.

Garrowby Churches Meditation Group in St Edith's Bishop Wilton 7.00pm

The next meetings will be on Thursday October 19th and Thursday November 16th. They last for about 40 minutes with an introduction, time of silence and closing reflection. The chance to be still can be helpful and everyone is very welcome.

Bugthorpe Village Shop & Post Office

As a significant milestone looms ever closer I feel it's time for a change at Bugthorpe's village shop & Post Office. After 36+ years of what I've often referred to as semi-retirement it's time to go all out and commit to it fully.

I've carried an invisible burden for many years but it's only during the past 18 months that it's come into conflict with my thoughts of when would be the right time to retire. I was advised by a Post Office authority some years ago that when I retired my contract would end and my successor would most likely be awarded a reduced hours contract based on the Post Office's low business traffic. And that's always been my dilemma for the future, until now. All of a sudden the future has now, thankfully, much clearer prospects. The massively expanded Post Office portfolio and imposed accessibility obligation to support rural communities has considerably widened the goal posts and I have been reliably informed by the Post Office Provision lead, that my current contract will in fact transfer in its current form to my successor. This is wonderful news as without these hours the retail offering simply wouldn't survive. That burden is now lifted.

Modern technologies now dominate all aspects of our lives and as Post Office constantly develop new and interesting alliances to broaden their service provision, it needs a younger, flexible brain to embrace these changes and go forward. Even in Bugthorpe there are opportunities for a fresh prospector to revitalize the current offering. Remember, Post Office, and that includes Bugthorpe, now provides the counter for almost every bank who have closed their doors on the high street, and this is just one alternative option accessible in your local outlet, and there will be more following. Convenience will become even more convenient.

The joint quest of myself and Halifax Estates, as landlord of the shop and Post Office, to

find a successor has begun but it's early days and I'm optimistic these lines might stir some thought. For the right person or family, it's a unique opportunity to live and work from home at the foot of the great Yorkshire Wolds to provide continuity of service to surrounding villages and farming communities. You would be extremely fortunate to find a similar position anywhere else in this country.

I have another 18 months before that milestone arrives and will remain in post until then.

Thank you for being my customer, and friend.

Best wishes,

Bob

St. Mary's Skirpenbeck

On a very hot Sunday (9th September) we held our Cake and a Cuppa event. Despite the heat, lots of people came to support us and we

raised a magnificent £470 towards the refurbishment of our church. Many thanks to everyone who helped in any way. We are hoping to hold a small Christmas Fayre in December, details of which will follow in the next edition of the Pump. It is our Harvest Festival at 10am on Sunday 1st October and everyone is most welcome. Refreshments will be served after the service.

The Garrowby Singers

We are now in full swing rehearsing for Remembrance Sunday, Advent Sunday and, of course, our Christmas Concert. The Christmas Concert will be held at St. Edith's Bishop Wilton on 16th December. All the proceeds from this concert go to The Garrowby Benefice, this helps all 5 of our Parish Churches. After Christmas, we begin our rehearsals for the York Choir Festival which is held at the Joseph Rowntree Theatre at the end of February. For more information about the choir, please contact me at: penelope.beard@sky.com

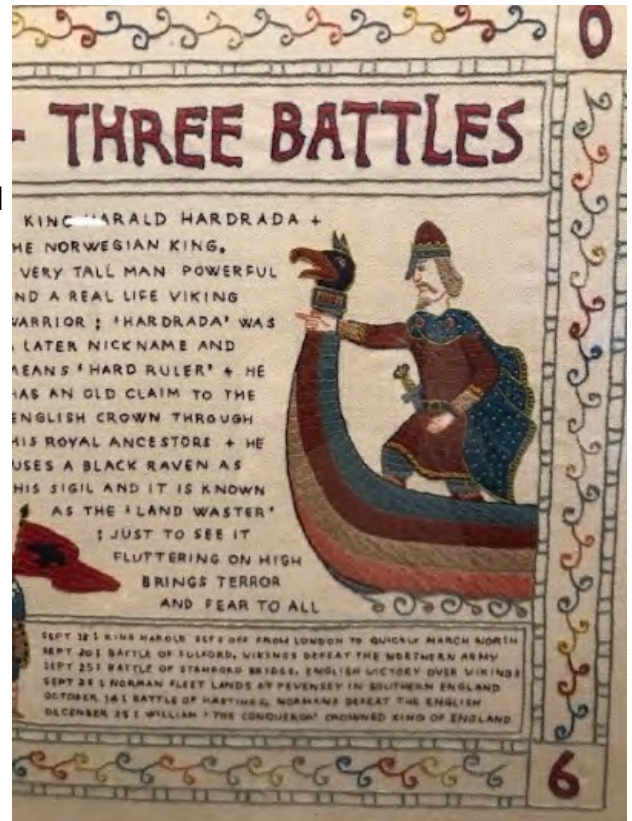

Bishop Wilton WI

Bishop Wilton WI welcomes women of all ages. We are a friendly group, so why not come to a meeting as a guest and see what we're about and consider joining us!

On October 2nd Tony Morgan returns with Tales of Tudor York.

November 6th Kathleen and Chris Barnett will talk about the life of Virginia Mckenna.

August's meeting was a trip to see the Stamford Bridge Tapestry which is displayed at Platform 66, the Old Station Club. First we had an illuminating introduction to the three famous battles of 1066 and then a fascinating talk about the tapestry, its origins and six years to completion. It was stitched by volunteers in the style of the Bayeux tapestry and tells the story of the battle of Stamford Bridge. The level of craftsmanship is stunning. The tapestry can be viewed on Saturdays 12-2.30pm and Tuesdays 10-2pm and a visit is highly recommended. Check out <http://stamfordbridgetapestry.org.uk/> for further information.

September's open meeting was an entertaining and informative talk by Anne, Angela and Pippa about the work they do with Wolds Hedgehog Rescue which cares for injured and abandoned hedgehogs and hoglets. The amount of work required to keep alive and care for

these endangered creatures was incredible and their dedication and enthusiasm was palpable. They brought with them some lovely crafts which they sell to raise funds. Anyone coming across an injured hedgehog can ring 07722 483845 for advice. Be sure to wear gloves when handling them. Check out their Facebook page for more information: <https://www.facebook.com/woldshedgehogrescue/>

Please join us for the next Coffee, Cakes and Books which will be on **Saturday 30th September** from 10am-12pm. Proceeds from this event will go to Macmillan Cancer Support.

Ruth Mardall and Sandie Clark

Parish Council of Bugthorpe and Kirby Underdale

Minutes of the 161st Meeting of the Parish Council held at Kirby Underdale Village Hall on Monday 11 September 2023

Present: Councillors: D J Pearson (Chair), Lady Halifax, K Robinson, D Birks, R Crow, H T Paul, F Goodhart, T Atkinson, D Curtis, D J Lord

In attendance: Ward Councillors Cary and West

1. The Chair commenced the meeting by welcoming Ward Councillors Cary & West.

2. There were no Apologies for Absence.

3. **Minutes of the Meeting** held on Monday 15 May 2023 were approved and signed as a true record, by the Chair.

4. **Declarations of Interest** - the Parish Councils (Model Code of Conduct) Order 2001. Councillor Lord declared an interest in item 6d on the Agenda.

5. **Matters Arising from the last Meeting:**

a) Jubilee Pasture - Councillor Robinson reported that the bench and interpretation board have now been installed and therefore the main items of expenditure are complete. A further extension has been agreed with the National Lottery until the end of November for completing the expenditure on the project. The Committee have agreed to arrange an event either in Bugthorpe or Kirby Underdale to explain the aims and objectives of the project and potentially to get an outside speaker to attend. The Bugthorpe School children will also be visiting during October to carry out some planting and hopefully they will be rewarded with ice cream. Councillor Robinson confirmed that there is one more volunteer event to be arranged this autumn. Councillor Lord confirmed that at the end of November there will be a balance of unspent grant to repay to the National Lottery.

b) Dog fouling in Bugthorpe & Kirby Underdale - Councillor Crow said that fouling is still continuing in Bugthorpe and this appears to be carried out by both small and large dogs, which have not been identified. The Chair said that dog fouling in the vicinity of School Farmhouse in Kirby Underdale occurs approximately once a week.

c) Potholes - the Clerk reported repairs have been carried out on York Lane. Councillor Paul mentioned that the roads in both parishes are generally in poor condition. It was recognised that budgetary constraints mean that it is unlikely that any major improvement schemes are going to be initiated in foreseeable future, with the possible exception of Painsthorpe Lane which Ward Councillor Hammond is attempting to facilitate.

d) Speed limit signs on Stephenwath Lane - Councillor Atkinson said that he planned to contact the Head Teacher at Bugthorpe School again to remind him about the signs, now the children are back from their summer break.

e) Internet provision - the Clerk reported that he had hoped that the Quickline service would improve with the updating of the equipment on the MOD mast at Garrowby Hill and roll out of new technology on the repeater masts. However both the Chair and Councillor Goodhart confirmed that Quickline service is substandard, with significant number of outages and poor customer service. Ward Councillor West agreed to make enquiries with the ERYC Broadband team to see what can be done about getting BT fibre to Kirby Underdale and surrounding properties that are not currently connected. He also mentioned that there is another fibre provider called MS3 which is using BT poles to distribute this service. The Chair commented that the proliferation of poles would be undesirable. The Clerk agreed to arrange another meeting with Quickline to express the current dissatisfaction with their service and to establish what their plans are to improve the situation. Councillor Goodhart said that BT are intending to discontinue their wired landline service within the not too distant future and therefore the broadband speeds and reliability must be improved before this happens.

f) Restoration of Uncleby Tap - Councillor Atkinson confirmed that the repairs will be carried out during the week commencing 25 September 2023.

g) Pedestrian bridge across Beck at Low Hall - these repairs have been outstanding for at least 2 years although an ERYC Officer did come out to inspect the bridge probably 12-18 months ago. Councillor Birks confirmed how dangerous it is as there is a section without a guard rail and drop of approximately 10ft to the watercourse below. The Clerk is to send some photographs to Ward Councillor West who will chase this up with the relevant department.

h) Kirby Underdale Village Hall refurbishment - the Clerk confirmed that most of the work had been completed and that the new heaters were due to be fitted next week. The new curtains, additional pictures etc will then follow on. The Clerk confirmed that the cost of this project is to be shared between Halifax Estates and the Village Hall Committee and the Parish Council will have no financial involvement.

i) Community Payback Project - it was agreed that the painting of the churchyard fencing at Bugthorpe and Kirby Underdale went well and several parishioners have commented on the improved appearance of the railings.

6. Other Matters.

a) Clock Fund - the current account balance is £3,665.87 and this money is going to be transferred from the existing Virgin Money Account to a Natwest Liquid Manager Notice Account which currently pays 2.96%, interest but requires 35 days' notice to withdraw monies. Councillor Crow confirmed that the only regular expense payment to Iain Macdonald in the sum of £75pa for clock winding.

b) Parish Council Clerk and responsible Financial Officer Role after May 2024. The Chair confirmed that the Clerk proposes to retire from the position in May 2024 after 34 years. For the whole time that the Clerk has held the position, he has done so on a voluntary basis and has therefore not been an employee of the Parish Council. This has allowed him also to be a Parish Councillor. An annual sum equivalent to the Clerk's salary has been paid to Halifax Estates for assistance with the administration function and costs in postage and photocopying. The option of employing a professional Clerk was discussed, but it was agreed that this would be more expensive and increase administration significantly. The Clerk's successor at Halifax Estates, Edward Johnson, has agreed to take over as voluntary Clerk in May 2024. He may then seek to be elected or co-opted to be a Parish Councillor in due course, when a vacancy occurs.

c) Community Governance Review - the Chair confirmed that the deadline for the comments on the proposal is now 30 September. The proposal for implementation in 2027 is that the two parishes of Bugthorpe and Kirby Underdale will be amalgamated, with two wards. It is also proposed that the number of Councillors should reduce from 5 to 4 for each ward. This matter was debated and it was agreed that the Parish Council would agree to the ward proposal but request that the total number of Councillors remain at 10, to avoid the difficulties if several Councillors could not attend a certain meeting.

d) Planning and Listed Building Applications for School Barn, Kirby Underdale - Councillors inspected a drawing of the revised proposal and unanimously agreed that there was no objection to it.

e) The payment of £45 to the Bishop Wilton Parish Pump was approved and a cheque was signed by the Chair and Clerk.

f) Salt bins in Bugthorpe & Kirby Underdale - the Clerk confirmed that ERYC have replaced the salt bin on the junction between York Lane and Stephenwath Lane in Bugthorpe and have deemed the bin outside the Village Hall in Kirby Underdale to be serviceable. However, the timber salt bin on Beck Row, Bugthorpe is not on the ERYC list for replenishment and they have

refused to take responsibility for replacing the bin and filling it. Instead they have offered to replace the bin at a cost of £409 plus VAT and to fill it at a cost of £49 per visit. Councillors agreed to purchase a bin from an alternative supplier and to look at other alternatives for filling it.

g) Cutting of Bugthorpe village green - the Clerk confirmed that the cutting of the Bugthorpe village green started very late this year as a result when it was cut there was a large quantity of grass left on top which looked untidy. Ward Councillor West said that the grass cutting had been delayed this year by wet weather and he expected that it would be started earlier next year.

7. Correspondence - Parish Councillor Atkinson said that he would bring to the attention of the Head Teacher at Bugthorpe School, the Holiday Activities and Food Grant Scheme (HAF) for eligible children and young people that are eligible for free school meals.

8. Any Other Business.

a) Councillor Goodhart said that a number of parishioners have expressed concern about the travellers in the layby on the A166 who have a caravan, lorry and 3 cars. There have been there for a considerable time and are restricting access for lorries to park. Ward Councillor West confirmed that he would establish what the ERYC are proposing to do to move these travellers on.

b) Councillor Robinson said that the footpath sign on Jubilee Pasture has disappeared. Clerk will ask ERYC to replace it.

c) Stamford Bridge bridge repair - Ward Councillor West said that the bridge is due to be closed during the spring of 2024 for a period of 7-9 weeks and there will be a diversion through High Catton onto the A1079. Councillors expressed concern about this and the inconvenience it will cause. Ward Councillor West that he would obtain an update on the exact timing and period of closure. There are two alternative long term solutions to the congestion at Stamford Bridge that are being considered by ERYC Council. One being a bypass and the other a secondary bridge to accommodate west bound traffic. Ward Councillor West agreed to send the Clerk details of the consultation.

d) Ward Councillor West mentioned the East Riding Design Code aimed at assuring that harmonious and appropriate design is incorporated into Planning Policy. The consultation is due to end on the 22 October 2023 and there are events arranged at Pocklington on 19 September 2023 and Driffield 9 October 2023 to inform residents.

9. Date of Next Meeting.

The next meeting was fixed for 7pm on Monday 4 December 2023 at Bugthorpe War Memorial Institute.

Bishop Wilton Parish Council

Minutes to the Meeting of Bishop Wilton

Parish Council, held on Thursday 24th July 2023 at 7.00pm at Bishop Wilton Village Hall.

Present: Cllr P Warry (Chairman); Cllrs P Rigby; I Rickatson; A North; J Miles; R Sumpner and Sandra Morrison (Parish Clerk)

Ward Cllrs: L Hammond; P West and D Carey
Members of the public 9

331. The Chairman welcomed everyone to the meeting and asked if anyone was recording the meeting. As the answer was negative the protocol on the recording of meetings was not relevant.

332. Apologies of absence were received from Cllrs Haywood, Denton and Berry

333. Code of Conduct: To receive Declaration of Interests from members on any items on the agenda

Pecuniary - none

non-pecuniary - Cllr Rickatson agenda item 19 planning application 23/02131/TCA

granting of dispensations - none

334. Open Forum: As members of the public were in attendance to participate in agenda item 11 the review of the village green grass cutting policy, open forum was deferred.

335. Ward Councillors Report and outstanding issues- and response to road safety issues on Garrowby Road

The council have received a response from a member of the public in respect of Road Safety in Bishop Wilton along Garrowby Road (Centre of the village to Vicarage Lane), which is attached as an appendix to these minutes.

Cllr Hammond - has spoken to ERYC with regard to the village tree planting and an agreement has been reached with highways that a planting scheme will commence in November 2023, with 40 trees being a mix of lime, oak and beech being planted along Braygate. ERYC will plant and maintain these trees going forward, with further planting to be done in 2024.

Cllr West and Cllr Hammond gave an update on the Design Code, which is intended to sit alongside the Local Plan and give local councils the opportunity to be heard in how future developments in the parish should look in both appearance and structure. Proposed bridge repairs in Stamford Bridge will see road closure for up to 7 weeks.

The next round of the UK Shared Prosperity Fund will be open in October. Much of the first round of funding has gone to coastal areas as these are the most deprived, but funding is available to communities, supporting local businesses, skills training, creation and improvement of green spaces, and much more. Applications of interest

can be submitted prior to making a full application. The Community Governance Review draft recommendations which could see some changes to parish councils structure, after the next election in 2027, has still to be approved by ERYC before going out for consultation.

ERYC have received funding to help and improve bus services, and the 747 should see more services over the weekends.

7.23pm Cllr Sumpner joined the meeting. The Chair asked if Cllr Sumpner intended to take a personal recording of the meeting, Cllr Sumpner confirmed.

336. Minutes: To adopt minutes of the meeting held on the **26th June 2023**. Proposed Cllr Rigby seconded Cllr North resolved.

337. Matters Arising: update on outstanding items from previous meeting.

a) Repair to village roundabout - not progressed due to illness, to bring back to next meeting.

b) The work to extend the paved bus stop areas and relocate the seats has now been completed, and an invoice has been presented.

c) To review repairs to the defibrillator box and cost of replacement. It was proposed by Cllr Rickatson and seconded by Cllr Miles that the quote of £156.00 plus vat to disconnect and remove the old defibrillator cabinet and mount and reconnect the new defibrillator cabinet (in store) should be agreed. Resolved.

d) Update on maintenance of salt dispenser - still to be progressed .

338. To discuss and agree further options for village tree planting - covered in Cllr Hammond's report

339. Outdoor Gym

1. To agree and sign off amended Heads and Terms of letting agreement re the installation of an outdoor gym.

2. Update on transfer of funds

3. Update ordering of equipment

No progress has been made as yet. The Village Hall Committee are meeting on the 26.07.23 and will elect their working group representatives.

340. To discuss and agree to a regular inspection routine of play ground equipment and area, and approve draft record sheet. Clerk has drawn up a draft check list which is with Cllr Sumpner awaiting feedback.

341. To review the village green grass cutting policy and future ideas that benefit the environment. This agenda item was opened to the public for discussion 7.54pm

The consensus of opinion was that the green needs to be kept tidy and cut to a reasonable

length. The beck needs to be visible and kept clear of vegetation. The green is an asset to the village. It was proposed by Cllr Rickatson and seconded by Cllr Rigby that the green is cut 4 times a year, subject to growing conditions, as recommended by the contractor. Resolved 5 in favour, 1 against.

The Council is very grateful for the work done by the existing contractor.

8.18pm Cllr West left the meeting

342. Finance:

a) To approve accounts and bank reconciliation to date - proposed Cllr North seconded Cllr Rigby resolved.

b) To approve payment of Inv 4060 re village grass cutting for June £570.00 and Inv 4062 for relocation of benches on the village green and extension of paved area. £1170.00. Proposed by Cllr Sumpner seconded by Cllr Rickatson. Resolved.

c) To approve payment as per schedule 2 clerk's remuneration. Proposed by Cllr Rigby and seconded by Cllr North. Resolved

343. Community Issues for consideration

I. A complaint regarding overhanging foliage on the road near to the Fleece Inn has been reported to ERYC by the clerk. Cllr Hammond to follow up and Cllr Rigby to speak to the landowner.

II. A letter has been received from a resident regarding issues with building work in the village. Clerk to respond.

III. Cllr Sumpner raised concerns received from a resident regarding a recent accident at the Garrowby Road/Garrowby Hill junction and that visibility is obscured by vegetation. Cllr Hammond to report to ERYC and request remedial work if required.

IV. Cllr Rigby raised concerns about a public footpath being slippery. Cllr Rickatson to raise the issue with the PROW team.

344. Future training opportunities, and review budget, were considered. Cllr North and Denton to attend Pocklington whole council training on the 9th October if places still available, Clerk to order 6 copies of the Being a Good Councillor guide from ERNLLCA.

345. Correspondence:

I. ERNLLCA June Newsletter was circulated for consideration

II. Correspondence re D Day 6th June 2024 was circulated to be discussed again at next meetings

III. Email from conservation volunteers was circulated

IV. Email re free activities for children and young people during the school holidays was circulated

346. GDPR - Policy has already been agreed 20th March 2023 Minute reference P84 ref 256. It was proposed by Cllr Miles and seconded by Cllr Rigby that a Philips voice tracer be purchased and that this should hence forth be used by the clerk as data controller and data processor. The tracer has the facility to store data on a SD card.

347. Cllr Warry stressed the importance that all members having designated parish council email address for their own protection.

348. Planning application 23/01851/TCA

Proposal: Fell 1 no Plum tree

Location: Goodharts View, 56 Main Street Bishop Wilton YO42 1SR

Applicant: Mr Alastair Rimmer

Application Type: Tree Works in a Conservation Area

Proposed by Cllr Sumpner that Bishop Wilson PC do support this application and that we suggest a condition to the application approval is the planting of new trees as outlined.

Seconded Cllr Warry. Resolved

349. Planning application 23/02013/TCA

Proposal: Fell 1 no Larch tree, 1 no Apple tree, and 1 no Plum tree to ensure no further nuisance can be caused from root penetration into neighbouring property

Location: Larch House, Main Street Bishop Wilton YO42 1SR

Applicant: Mr Iain Rickatson

Application Type: Tree Works in a Conservation Area

Cllr Rickatson advised that he has a legal obligation to fell these trees as they are invading neighbouring property. Proposed by Cllr Sumpner and seconded by Cllr Miles that no objections be raised. Resolved.

350. No change in the current emergency plan except Ward Councillor details. Clerk to amend and update ERYC. And post on web site once accepted.

351. To received Agenda item requests for next meeting. - D Day working group ; Working group to refurbish Notice boards; Roundabout

Minutes to an Extra Ordinary Meeting of Bishop Wilton Parish Council, held on Thursday 10th August 2023 at 7.00pm in Bishop Wilton Village Hall

Present: Cllr P Warry (Chairman); Cllrs R Sumpner; A North; J Miles and Sandra Morrison (Parish Clerk)

Guests: Ward Cllr L Hammond and 1 member of the public

352. The Chairman welcomed members and received apologies from Cllrs Haywood, Rigby, Rickatson, Berry and Denton

353. Code of Conduct: To receive Declaration of Interests from members on any items on the agenda

Pecuniary - none

non-pecuniary - none

granting of dispensations -none

354. To consider and agree comments to Planning Application

23/019 48/PLF

Proposal: Erection of a single storey side extension to the front, including internal alterations, and erection of a single storey extension to rear with 2no roof lights

Location: 17 Vale Crescent Bishop Wilton YO42 1SU

Applicant: Mrs Sara Dace-Hughes

Applicant Type: Full Planning Permission

It was proposed by Cllr Warry and seconded Cllr Miles to support this application and raise no objections. Resolved

23/01716/PLF

Proposal: Erection of a single storey side extension to the side

Location: 3 Main Street Bishop Wilton YO42 1RX

Applicant: Mr A Holloway & Mrs J Sangwin

Applicant Type: Full Planning Permission

It was proposed by Cllr Warry and seconded Cllr North to raise no objections. Resolved

Consideration should be given to neighbouring properties to limit any disturbance and protection of site entrance and grass verges during construction.

23/02285/TCA

Proposal: Pollard 1no Sycamore tree to 2m in height as it poses a risk to horses **Location:** Garrowby Road Unused land Garrowby Road Bishop Wilton YO42 1SJ **Applicant:** Sharon Bartle

Applicant Type: Tree Works in a Conservation area It was proposed by Cllr Sumpner and seconded Cllr Miles to support this application and raise no objections. Resolved

355. To consider response to draft Community Government Review. The review period has now been extended until 30 September, and it was proposed by Cllr Miles and seconded by Cllr Ashton to defer this until the September meeting for further discussion. Consensus from members present that councillor numbers should remain at 9 and no objections be raised to change in boundaries.

Creating Enchanting Spaces: A Guide to Decorating Your Kid's Bedroom

Decorating a kid's bedroom is a wonderful opportunity to foster creativity, comfort, and a sense of personal space for your little one. Whether you're starting from scratch or looking to revamp their current room, we've got some inspiring ideas to help you create a magical haven that reflects their personality and fuels their imagination.

Selecting a theme can set the tone for the entire room. Whether it's a whimsical fairy tale forest, an outer space adventure, or a tropical paradise, a theme provides a cohesive vision to work around. It allows you to pick complementary colours, patterns, and decor items that bring the theme to life.

Head over to our website for our joyful collection of fun wallpapers to help set the theme for your child's room project www.grandads-shed.com - search wallpapers - here's a small selection available.

Vibrant colours and playful patterns can instantly inject life into a kid's bedroom. Incorporate a mix of bold and pastel shades to create a visually stimulating environment. Consider using removable wall decals, rugs, and bedding with fun patterns that match the theme.

Consider repainting existing tired pine furniture, with bright colourful paints such as the award winning Frenchic Furniture paint which you can find over on our website and available for immediate delivery or collection from our Design Studio in Youlthorpe. If you're enjoying reading this Tips and Tricks guide you can continue over on our latest blog at www.grandads-shed.com
