Bishop Wilton Show - Saturday 20th July 2024

Saturday 20th July will soon be upon us. We published the full schedule earlier this year to enable you to start thinking about your class entries for 126th Bishop Wilton Show. If you haven't seen a copy, there are plenty available in the Community Shop.

Finally the weather has picked up for you to grow those fabulous horticultural creations, to produce stunning flowers and aim for perfection with some impressive vegetables. You'll be starting to test that tippie that's been bubbling away for the last few months, or trying out some fabulous cake creations on your family and friends. Start delving through those memorable photos you've taken this year, or see what you could create for the more artistic amongst us.

For the more energetic, step up the training programme for the gruelling Bishop Wilton Beast. If that's not your thing, there'll be plenty to do for your pooch. There's the ever popular Dog Zone, with this year Dog Agility for them to pick up some tips! It's in the Main Ring where we'll also have the classic and vintage vehicle parade. Bring along your cherished car, tractor, truck or whatever and tell us your story. Ask your friends to bring along their motors too.

Entries for the Craft tent, the trade stands and the food outlets are building up. There'll be plenty of shopping opportunities, and some fabulous eating options too. Again, we've got the Gait Inn from Millington running the bar, to be entertained by the Habitual Drunkards later on.

It's going to be a great day out, with plenty of entertainment for all the family. Keep an eye on our FaceBook page for updates, about what's on and who's coming. You can buy tickets online at our website: www.bishopwiltonshow.co.uk There's an 'early bird discount' for tickets bought online before 10th July. Don't miss out.

We're in the final stages of show preparation now, and as ever we welcome all voluntary support to help build and dismantle the show. If you're able to lend a hand in the evenings in the run up to the event, it will be very much appreciated. The show is in the usual place up at High Callis, by kind permission of the Stringer family. We really look forward to seeing you there, and let's hope the weather is kind to us!

VOLUNTEER NEWS

The Volunteer prize draw was presented to Paula Goodrick 1st prize £40 BWCS vouchers and 2nd prize Steve Edwards £20 vouchers. Thanks to them for their continued commitment!

We are always looking for new volunteers to come on board and you don't have to live in Bishop Wilton to get involved. We already have volunteers from Pocklington and surrounding villages. We sort out the training you need and make sure you're supported at all times. It's great to help out whilst having fun! Contact the Shop or pop in and have a word with the Manager if you'd like more information or would like to try a taster session.

Fleece Inn Golf Society

Considering the very wet months from the start of 2024, we found ourselves in sunshine for our first event of the year. It started with a sombre note though, with the group paying our respects to Bob Sefton, who sadly passed away earlier this year. A moving tribute to Bob was made by David Stamp and Bob's brother Dick.

We had 20 players at the event, including three new members, Jim Campbell, Simon Maxton and Steve Duncan - welcome to the society!

With the course in good condition and the sun shining meant there were some very good scores. The results were as follows:

Prize Winners

Winner Col Pollock 41 points, Second Charles Fenton 36 points,
Third Simon Maxton 36 points, Fourth Ian Jones 35 points

Spot Prizes

Nearest the Pins:

6th No Winner, 15th in 2 Allan Aikman, 16th Gerald Fenton,
17th in 3 Gerald Fenton, 18th Dave Etherington.

Once again the food and service from the staff at the club was very good. An excellent day and a great way to start the season.

The next event is at Hessle Golf Club on Wednesday 5th June.

Bishop Wilton C of E Primary School

We had great fun taking part in the Spring Fair and performing a maypole dance. It may look easy, but it takes practice and the children all worked hard to produce a super performance on the day.

We enjoy our welly walks whatever the weather and we have appreciated some sunny outings this spring. We used our map reading skills to find Easter eggs, we visited the bluebell wood and talked about looking after these beautiful flowers and all of our environment and we have created some fun land art with dandelions down by the beck.

Thank you to the Friends of Bishop Wilton and all the community for raising money through 'Bags for Schools'. This is much appreciated as the funds raised help towards the cost of school visits. We are having a Federation outdoor sports day at Middleton on the Wolds Primary, with all three schools attending and taking part in group challenges. KS1 and Reception children from all three schools will be visiting the zoo at Flamingo Land next half term to support their literacy work on endangered species and their science work on habitats.

KS2 had a fabulous experience visiting London and staying overnight on HMS Belfast. The trip included a visit to the British Museum and gave the children the opportunity to experience the exciting diversity of our capital city.

Please do follow Bishop Wilton School on Facebook or Twitter/X @PrimaryWilton to see lots more pictures of all our exciting activities.

Bishop Wilton Hall

Cornflowers and sunflowers have been planted recently in the borders at the entrance to the car park and we look forward to everyone being able to enjoy the display in the coming months.

AGM. The Hall AGM took place on Wednesday 24th April. It was advertised on social media, village notice boards and via a leaflet drop. There were two members of the public present. No-one new expressed an interest in getting involved, so the existing trustees were reappointed. There are always opportunities for residents to get involved with help in the running of the Hall - please contact us on the email address below or talk to one of the trustees if you are interested.

Maintenance. We are currently having a few issues with the lighting in the main hall and an electrician has been appointed to sort out the issue.

The very wet winter weather caused significant problems cutting the top section of the playing field grass as it's been too soft for the mower to travel. A big thank you to the group of volunteers who worked hard to clear grass cuttings to allow the ladies cricket tournament on 12th May to go ahead.

Maintenance of the memorial benches has begun, and will continue, weather and time permitting. Future activities will include the refurbishment of the Hall sign, and the notice board at the car park entrance.

Events. The Spring Fair took place on a dry but overcast day on Saturday 4th May. Whilst it generally seemed quieter than previous years - possibly due to it being a bank holiday weekend - we still raised over £1,200 for Hall funds which is a wonderful result. Thank you to everyone who helped organise, donated, and participated on the day.

On **Saturday 15th June at 7.30** St Edith's Church are holding a **Pimm's and Puddings Evening** at the Hall. Tickets cost £12.00 per adult and £6.00 per child and are available from the Community Shop or via Jan (07955 535237), Susan (01759 368445), and Sara (07779 337631). There will be music by Anna and Friends and a bar and raffle.

On **Saturday 6th July** the Hall is being used as a checkpoint for **Wolds Ultra Marathon** so expect to see some very tired looking runners around the village!

On **Saturday 13th July** the **Garrowby Singers** are holding their **Summer Concert**. Please look out for notices around the village for further details.

Sport, Social and Community Groups. The East Riding Council are updating their 2019 playing pitch strategy. Our facilities have been surveyed and will form part of their plan when it is published towards the end of this year or early next. The use of the Hall by the various groups continues to grow. The Main Hall can be hired for as little as £15 per hour. If you wish to enquire about booking the facilities at the Hall either on a regular basis or for a one-off event please do so via the booking calendar on our website or if you require additional information by phoning 01759 368813 or emailing bishopwiltonvillagehall@gmail.com.

Bugthorpe CE Primary School

FOLLOW YOUR PATHWAY AND GROW WITH CONFIDENCE

Solar Powering our Education @Bugthorpe

As part of our Eco-Schools drive, we installed solar panels this spring. Driven by pupil voice to save energy, our solar will help save money on our bills so that we can spend more on our school improvements and pupils' experiences.

Earth Day @Bugthorpe

The children really enjoyed celebrating Earth Day! We did a variety of practical activities, including building mini wind turbines, making bee hotels, creating flower seed bombs and recycling toilet roll tubes to produce bird feeders. Lots of our resources were spread

around out school grounds so the children could explore which birds benefitted etc.

Class 4 Trip to Eden Camp @Bugthorpe

Along with Sutton upon Derwent, our Class 4 children went on an educational visit to Eden Camp this term. The children really enjoyed visiting Eden Camp after studying the impact of the World Wars, and answering the question 'How could Hitler have convinced a nation like Germany to follow him?'. The particularly enjoyed the Blitz hut and submarine experience, due to the dramatic atmospheres created. **Harry B @Sutton** wished he had more time to read all the information. **Phoebe @Bugthorpe** loved it as it 'helped me really understand how I would feel during war'.

Flourishing Numbers @Bugthorpe

In September 2024, we are delighted to welcome 14 new children into Reception! This could potentially take our school numbers up to a healthy 74 on roll, not inclusive of Nursery.

We still have places available in all of our classes; don't hesitate to get in touch if you want to board our bus 🚌 01759368247/bugthorpe@eastriding.gov.uk

Rainfall

Rainfall for March 2024, 59.5mm. Average rainfall for March (2003-2024) 47.5mm.

Rainfall for April 2024, 86mm. Average rainfall for April (2003-2024) 44.1mm.

Rainfall so far in 2024, 333.8mm. Average rainfall Jan-April (2003-2024) 216.3mm.

March was the fifth wettest March that I have recorded. The 59.5mm that I recorded was almost 25% more than the average for the past 23 years. Our April rainfall was the third highest April total of the last 23 years (after 2012- 172mm- and 2004-118mm) with 86mm. This was double the April average for 2003-2023 of 42mm.

With regard to the total precipitation that we've received, in the first four months of 2024 we have had 333.8mm. This is 50% more than the average for this period of the year making it the second wettest start to a year after 2016 when we had 341.9mm in the same time scale. However, 2015 was a very dry year whereas this year's rainfall has followed the wettest year I have recorded. It's no wonder the ground is saturated and springs have been emerging in previously dry ground.

Jack in the Green
come to me
arms laden with violet and gold,
take my hand
and lead me onward
back to the Spring again

to skim with the swallow
sky-scouting,
cloud-coursing the shining strand,
flushed with the waters of winter
that weave through the sunken land

to bathe in the tears of the milk-moon
as I watch the final frost fade,
banished by blackbirds
that chorus the dawn
when I stride the lush grass to the lane

past hawthorn garlands anointed with dew
new shoots from old roots are born,
now wintertide finally routed
and the day springs to life once more.

USE IT OR LOSE IT!!

From Mike:

Dear Friend

One of the real joys of living round here is being able to go into our churches, even when there are no services taking place, just to enjoy the peace and quiet. The poet T.S. Elliot's words always come back to me: "You are not here to verify, instruct yourself, or inform curiosity. Or carry report. You are here to kneel, where prayer has been valid". I first became interested in the place of silence in our human journey through trying to do yoga poses with my Mum watching Richard Hittleman on the TV (that dates me!) and then thinking that being a Shaolin priest looked good through watching Kung Fu as a young teenager. It wasn't quite the same training as an Anglican priest but living and learning in the context of a monastic college at Mirfield helped me to grow in appreciation of the value of silence. Our Garrowby Meditation Group is one of the special times in the month for me, just the chance to share in a time of silence with friends in a place where the human journeys of so many people has been celebrated and prayers said over so many centuries. We now know from the work of neuropsychologists that silence is really good for our wellbeing - whether that is through the formal practice of mindfulness or in the informal times of switching off the TV, phone or computer and gazing at the horizon or listening to the birds or watching the trees. This not only rewires our brains in a remarkable way, moving us away from mindlessness, it also reminds us of our interconnectedness. Just breathing the air reminds us that we are porous and dependent on the world around us for our very breath. And as we do this we become less likely to see a black and white world of them and us but a world where we are just "us" whilst also celebrating our uniqueness. As we come home to ourselves in the silence, we have more space in our hearts to be there for others. If you would like to read more but not from a specifically religious point of view you might enjoy "Silence: In

the Age of Noise" by the Norwegian explorer Erling Kagge.

Warm wishes

Mike

News about the Vacancy

Members of all our churches have met with the Area Dean and Lay Dean to explore next steps and have started to prepare a profile which is like a prospectus for any future priest who may wish to apply for the post of Rector. Also, **please save the date** - Linda's last service will be on the 22nd September and there will be a party in the Village Hall. Details will be available shortly.

News about St Mary's, Full Sutton

St Mary's Church Full Sutton has struggled over the past few years due to rising costs and falling congregation numbers, combined with very little fund-raising, leading to questions over the future of the church. On Sunday 12th May we held an open meeting to discuss the problems and potential solutions with residents of the village. The response from residents so far has been very good, with a clear indication that the church should remain open. There are also several people willing to help with fundraising, grant applications and general maintenance which will be a great help. Further meetings will be held over the coming weeks to build on this initial enthusiasm and to make plans for a more stable future.

Changes to our normal pattern of services:

No 08.00 service on the 2nd June

Fifth Sunday Benefice Service 30th June 10.30 St Andrew's, Bugthorpe. Followed by refreshments. Linda's granddaughter, Chloe, will be singing. She is a member of the Maureen Hunter Singers and has sung in Cologne Cathedral, the Menin Gate, St George's Chapel, Windsor, Flanders, Bruges, Pisa, Florence and after us, in August, Belfast and Drogheda. So please come and enjoy her singing during communion and enjoy refreshments and meet up with friends across the Benefice.

Garrowby Churches Meditation Group

The next two dates are 7.00pm Thursdays 20th June and 18th July. The meetings last under an hour and include an introduction to the theme of the evening and a time of quiet and closing prayer. Even if you would just like to come and have a time of silence you would be very welcome to come. There is something very special about being in a place like St Edith's in the quiet of a summer's evening.

Saturday 15th June 7.30pm Pimms and Puddings in the Village Hall - see poster

Saturday 22nd June 7.00pm Wine Tasting Evening at Kirby Underdale Village Hall in aid of the Church and Hall with wine merchant Geoff Walker. Tickets are £15 and include wine, a light snack, tea and coffee and raffle. To buy tickets please contact Eileen Fenton 01759 368576 or Katie Barrett 07852 441979. The last event was great fun and the choice of wines very generous and the whole evening was fun and informative.

We had a lovely Easter Sunday service which included a Baptism, the first to be held in the church for a number of years. This was followed by the annual Easter egg hunt in the afternoon. We had a wonderful time and raised £250 for the church. We hosted the Stamford Bridge Heritage Society in May and have forged links with the group to further investigate the history of both our village and church. It was amazing to be able to handle some of the medieval pottery which has been found within the parish. We are hoping to host a joint event with them in the near future.

The Garrowby Singers We hope to see lots of you at our annual Summer Concert to be held on 13th July at 7pm in Bishop Wilton village hall. The money raised from this concert will go to a local charity.

News from St Edith's Parochial Church Council

Our main fundraiser this summer is a *Pimms and Pudding* evening. We hope to gather a good crowd for what will be an enjoyable event, a chance to get together with friends and enjoy the entertainment while supporting St Edith's. All the details are on the poster. If you would like to contribute a pudding or a raffle prize please let Jan or Susan know (see the phone numbers on the poster).

We're aware that we often talk about fundraising. Looking after our beautiful Grade One listed church is a mammoth task and many of the costs are hidden. For example, for the current year our insurance premium alone is over £3,400 and other annual commitments include a fire equipment inspection, boiler service and organ tuning.

To help us with this we'd be so grateful if you would sign up to <https://www.easyfundraising.org.uk> and select St Edith's as your good cause. Easyfundraising has partnerships with over 7,500 brands who will donate a percentage of your online spend to your good cause. **It won't cost you any extra.** For further details please see <https://www.easyfundraising.org.uk/causes/st-ediths-church-bishop-wilton/>.

Thank you as always for your support.

April's meeting was an inspiring talk by Dan Sidley, the founder of Yorkshire Swan Rescue Hospital. He began with some general information about the mute swan and how he began the charity in 2005. It now receives 6000 calls a year about injured swans and wildlife and covers a huge area across the north of England. It has a purpose-built rescue centre in a nature reserve near Drax. The aim is to get injured birds back into the wild as soon as possible. 60% of the injured birds have been caught by fishing line or hooks wrapped round their beaks and feet, others are injured when they crash into powerlines. He also told shocking stories about swans shot with airguns and crossbows and bitten by uncontrolled dogs. Dan and the volunteers work with a team of vets to provide expert care to swans, badgers, foxes, owls and other animals. A more cheerful story was of a puffin that was found stranded in a Wakefield garden, having blown inland on a storm, which they were able to return to the coast. If you would like to read more about the work of this amazing charity or make a donation please visit <https://www.ysrh.org.uk/index.html>

May's meeting was our AGM. The President's report looked back on another successful and enjoyable year with its wide range of talks and visits. The Treasurer's report detailed the current state of finances. Afterwards members had the opportunity to catch up with one another with a cup of tea and chat.

Bishop Wilton WI welcomes women of all ages. We are a friendly group and would love to welcome new members. As a taster why not come to a meeting as a guest? Join us on **June 3rd** to experience The Mobile Museum. You will have the opportunity to handle items from the past with genuine artefacts from the 1920's - 1970's. On **July 1st** we welcome Amy Harris who will demonstrate Face Yoga. Perhaps join us at **Coffee, Cake and Books** on June 29th and August 31st.

FREE Group launched to support female entrepreneurs across Pocklington and The Wolds.

Two local businesswomen have teamed up to launch a **Ladies Who Latte** group in Pocklington. Jo Barnes (left, The Mile) and Claire Cutler-Casey (right, The Happy Healing Hut) are both passionate about connecting and supporting other local business owners and helping local businesses to thrive. 'Never underestimate the power of networking. We understand how important it is to be able to discuss issues and concerns with other business owners, as well as the value of making trusted connections' Claire said, Jo added 'There is a wealth of female run businesses in Pocklington and The Wolds, all contributing to the local economy and we are excited to be able to offer something to help them connect and thrive, especially when the cost of living crisis is causing many concerns for solopreneurs and small businesses.'

The monthly group, part of the international Ladies Who Latte organisation, offers free networking meetings for female entrepreneurs and aims to create a connected business community, introducing members to colleagues providing all manner of businesses who can support their business needs as well as forming working collaborations with others in similar fields. The meetings will be held on the second Tuesday of every month, from 10am to 12 noon, at The Mile cafe on The Mile in Pocklington. Any female business owners, or women thinking about starting a business, are welcome to come along, buy a brew and join the friendly networking with other women in business.

Bishop Wilton Table Tennis Club

What a first season it has been in the Ryedale Table Tennis League for Bishop Wilton Table Tennis Club.

Runners up in Division 3 and winning promotion, played 21, won 18, drawn 1 losing just 2. In the Bower Trophy, the league's knock out competition, we defeated Division 1 League Champions Ryedale D early on and reached the semi final where we were narrowly beaten 5-4 by Division 1 runners up Amotherby A.

The Bishop Wilton team was voted by the majority of the league teams as the most sporting team in the league. Apart from our success by winning so many matches, gaining promotion and reaching the cup semi final, we've obviously done so in the right manner winning our first trophies, runners up in Division 3 and the league's most sporting team. We're now competing in the summer league, represented by David Jarvis, James Leonard and I.

March's AGM was well attended, the committee was re-elected. James Leonard proposed a vote of thanks to the committee for its commitment and hard work, unanimously supported by club members. Representing the Bat & Chat (B&C) members of BWTT Club, Iain Samuel has joined the committee.

Coaching is a crucial aspect of achieving success at all levels of sport

There were awards including Thomas Leonard winning 'The Coaches Award For The Most Improved Cadet 2023-24'. Special achievement awards were presented in recognition of a significant contribution to The Club to 'the Leonard family', Jan, James and Thomas and to Carl Harris. Having completed Bronze, Thomas is currently taking the Duke of Edinburgh Silver Award. As a Table Tennis England Lead Coach I was delighted to submit a report to the Physical Section for Thomas. Thomas has been outstanding and my report acknowledges his effort, dedication and improvement in table tennis to date.

B&C is very popular amongst over 50s, an enjoyable Thursday afternoon social event. B&C is for those who are not serious about the game, but fancy a friendly knock up or are new to table tennis. Club nights has been moved from Wednesdays to Thursdays, 6pm till 7.30. Coaching sessions for beginners or those quite new to the game are delivered every Sunday. An average of 25 turn up to our club events every week.

On Saturday 10th August it's the club's annual BBQ. It'll be fun, good food, drink, music and games. A working party made up of club members are organising everything for us. I've arranged for players from the National Table Tennis League to come along to the BBQ and play an exhibition match and allow members to put in a challenge!

My message is always the same. "At Bishop Wilton Table Tennis Club we provide something for everyone. Young to senior, physically fit to physically challenged, beginners to experienced. No one's excluded. Table tennis is fun, it's available to all. All equipment's provided, so why not come and join us?"

Interior Design Tips for Sustainability

In recent years, there has been a growing concern about the impact that human activity has on the environment. As a result, many people have started to take steps to reduce their carbon footprint and make more eco-friendly choices. One area where individuals can have a significant impact is in the design of their homes. By adopting sustainable interior design practices, homeowners can help to reduce waste, conserve energy, and protect the planet.

Sustainable Materials . When it comes to interior design for sustainability, choosing the right materials is crucial. Sustainable materials are those that are renewable, non-toxic, and have a low environmental impact, helping to reduce your carbon footprint and create a healthier living space.

One popular sustainable material is bamboo. Bamboo is a fast-growing plant that can be harvested without causing damage to the environment. It is also very durable and can be used for a variety of purposes, including flooring, furniture, and textiles.

Another sustainable material is reclaimed wood. Reclaimed wood is wood that has been salvaged from old buildings or other sources. By using reclaimed wood in your interior design, you are giving new life to materials that would otherwise end up in a landfill.

Recycled materials are also a great option for sustainable interior design. For example, recycled glass can be turned into beautiful countertops or tiles. Recycled plastic can be used to make furniture or even flooring.

Investing in high-quality, durable pieces that are built to last like our Made to Measure furniture pieces not only reduces waste but also saves money in the long run. Opt for furniture made from sustainable materials such as bamboo, reclaimed wood or recycled plastics, and avoid pieces with toxic finishes or harmful chemicals. We also recommend considering the versatility of the furniture - pieces that can be repurposed or adapted to different spaces and styles will have a longer lifespan. By choosing furniture that is not only beautiful but also sustainable, you can create a home that is both stylish and eco-friendly.

Upcycling and Reupholstery techniques not only reduce waste but also add character and personality to a space. Win-win! Upcycling involves taking an object that has reached the

end of its life and turning it into something new and useful. For example, an old ladder can be transformed into a bookshelf or a set of drawers can be repurposed as a unique side table. By giving new life to old objects, we can reduce the amount of waste that ends up in landfills.

Reupholstery is another key technique for sustainable interior design. Instead of buying new furniture, consider reupholstering existing pieces. Not only does this save money, but it also reduces the amount of waste generated by manufacturing new products. Additionally, reupholstering allows you to customise the look of your furniture to fit your personal style. It's a real winner with our clients.

Energy Efficiency By reducing energy consumption in our homes, we can decrease our carbon footprint and save money on utility bills. There are several ways to increase energy efficiency in your home's interior design. First, consider the lighting. Switching to LED bulbs can reduce energy usage by up to 80% compared to traditional incandescent bulbs. If you want to go a step further, installing dimmer switches can help regulate the amount of light used and save energy. Try maximising natural light by adding a lick of bright paint to the walls or utilising mirrors to bounce light around your room. Why not try to position furniture away from windows to avoid blocking light. Not only does natural light reduce energy consumption and lower costs, but it also has a positive effect on mental and physical health.

You're also going to want to consider the appliances and electronics in your home. Look for energy-efficient models when shopping for new appliances, and unplug electronics when they are not in use to avoid wasting energy on standby power.
